Day 35 Naples (Amalfi Coast), Italy
Arrive: 11:00 - Depart: 20:00

Crammed with ancient architecture, cathedrals and churches, it's no wonder the Historic Centre of Naples is a UNESCO World Heritage Site. The city's highlights range from the imposing medieval Castel Nuovo with its view of Mount Vesuvius to the bustling streets of Spaccanapoli, known for artisan workshops and authentic Neapolitan life. Deeper into the city, you can find the underground catacombs of Rione Sanita or admire masterpieces at the Capodimonte museum. No visit is complete without sampling the city's renowned Neapolitan pizza and other culinary delights.

Better yet, combine your Naples cruise with an optional excursion to the glamourous Amalfi Coast or Pompeii, the archaeological site that lay buried for 1,700 years following the eruption of Vesuvius in 79 AD. Today, visitors can walk the cobbled streets and admire the mosaics adorning the villas of the town's wealthiest families.

The Divina offers a mix of relaxation and high-energy sports. The ship boasts the Infinity Pool at the back of the ship, which blends into the horizon, and the Aqua Park main pool. For cooler days, Le Sirene has a sliding glass roof. The MSC Aurea Spa offers Balinese massages and a thermal suite. Unique to the Divina is Aqua Cycling, where you can take a spin class on bikes submerged in the pool. Want a more thorough workout? Visit the large fitness centre with panoramic floor-to-ceiling windows, offering cardio and resistance machines alongside group classes. For over 18s, visit Top 18, an exclusive, adults-only sun deck for those looking for a quieter sanctuary away from the main pool areas.

Family-Friendly

Families are well-catered for with age-specific programming and dedicated spaces. The Kids' Club is a partnership with LEGO and Chicco, with the club space split into the Mini Club (3-6), Junior Club (7-11), Young Club (12-14), and Teens Club (15-17). Visas

Europe

A tourist visa is not required for stays up to 90 days if travelling on an Australian Passport.

European Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.gov.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

United Kingdom

The UK Government announced the next phase in the roll out of Electronic Travel Authorisations (ETAs). As of 8th January 2025, all Australia and New Zealand passport holders will require an ETA to enter the UK. An ETA gives visitors permission to travel to the UK. Visitors who do not currently need a visa may need to apply an electronic travel authorisation (ETA) to travel to the UK, please refer to the UK Government website for further information.

Important:

Visa rules may have changed since COVID-19. Check with the nearest embassy, consulate or immigration department of the destination you're entering.

Please note: Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.
