All-Inclusive Cherry Blossoms Cruise

SEOUL ● JEJU ● TOKYO ● KYOTO

The Offer

Forget choosing between the high-octane energy of Seoul and the timeless tradition of Japan, this 15-day odyssey delivers the best of both worlds during the most coveted season of the year. From the skyscraper-lined streets of South Korea to the volcanic peaks of the Japanese archipelago, you'll witness Asia's most iconic landscapes draped in a spectacular veil of spring cherry blossoms.

Your journey kicks off in Seoul, a city where ancient dynasties and K-pop culture collide, before you board the Norwegian Jade for a 9-night premium cruise. Experience the raw natural beauty of Jeju Island's lava tubes and the moving history of Nagasaki. This isn't just a voyage; it's a deep dive into the heart of the East, navigating the scenic Kanmon Strait to reach the steaming hot springs of Beppu and the samurai heritage of Kochi and Hiroshima.

Explore the industrial prowess of Nagoya and stand in the shadow of legendary Mount Fuji in Shimizu before disembarking for a grand finale in Tokyo. With three nights of freedom in Japan's sprawling capital, you have ample time to navigate the luxury boutiques of Ginza, witness the intensity of a sumo match, or find tranquility in the Imperial Palace gardens.

Discover the best of Japan and South Korea with return international full-service flights, a 9-night Norwegian Cruise Line cruise with a drinks package and specialty dining credits, onboard Wi-Fi, shore excursion credit, 4 nights of 4-star hotel accommodation, 26 meals and more.

Want more? Add extra days to your itinerary with Arrive Early and Stay Behind packages in Seoul, South Korea or Tokyo, Japan.

Choose Itinerary 2, which starts in the neon heart of Tokyo and finishing in Seoul, or Itinerary 3, which travels from Seoul to the bustling streets of Tokyo.

Please note: The cherry blossoms can be difficult to predict. Every year is different and there are variations across the country. What's more, there are multiple sakura varieties, each coming into flower at a slightly different time and lasting for a different period (most stay for around two weeks). Therefore we cannot guarantee the trees will be blooming in locations visited on this itinerary. To increase the likelihood of cherry blossom viewings, we recommend booking dates later in March.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.
