Day 4 Chimpanzee Tracking in Kibale National Park & Bigodi Swamp Walk

After breakfast, transfer to the park headquarters for a briefing, then begin your amazing chimpanzee trekking.

Chimpanzee tracking involves 3-4 hours of trekking, although generally not too demanding. Chimps stay in groups of 10 – 100 members and can babysit each other's young, kiss, groom one another and even hold hands. After the morning searching for these beautiful primates, head back to the lodge for lunch and some time at leisure.

In the evening, head to the Bigodi Wetland Sanctuary where you can enjoy a nature walk through this sanctuary. The walk is about 3-4 hours, guided through 4-5 kms of trail, with a shorter trail available, if preferred.

Bigodi Wetland Sanctuary lies within the Magombe Swamp, an area celebrated for its rich biodiversity. It is home to a variety of primate species, including colobus monkeys, baboons, mangabeys, vervet monkeys, red-tailed monkeys and L'Hoest's monkeys, among others. The swamp also provides habitat for around 200 bird species, featuring several notable varieties.

Overnight: Chimpanzee Forest Guest House or Nyaika Hotel, Kibale National Park or similar
Meals included: Breakfast; Dinner

Day 5 Kibale National Park - Queen Elizabeth National Park

After breakfast, set out on a scenic trek to nearby crater lakes. This region is home to more than 30 crater lakes and is believed to have the highest concentration within a short 10 km stretch.

The Itinerary

Follow the "Top of the World" trail to enjoy sweeping views of many of these lakes while passing through local villages and tea plantations. On a clear day, its possible to catch a glimpse of the distant Rwenzori Mountain Range, Africa's highest mountain range.

In the afternoon, drive to Queen Elizabeth Park for an overnight stay (approximately a 3-hour journey).

Overnight: Buffalo Safari Lodge, Queen Elizabeth National Park or similar
Meals included: Breakfast; Dinner

Day 6 Katwe Salt Lake - Kasoga Community

Today, enjoy a relaxed morning at the lodge before travelling to Katwe Salt Lake. The lake is salty due to the many inlets from streams that bring in the water. Salt mining is a major activity here in the dry months. At the lake enjoy the beautiful scenery and learn about the salt mining process.

This afternoon, travel to the Kasoga community. The Kasoga community experience offers first hand encounters about the life and culture of native communities on this landing site. Here you will enjoy a walk through the community and learn about the fishing practices of the local community, see the fish preservation stoves, witness traditional canoe making demonstrations and see the crafts being made. Walk through the historical swamps in the community and the vacation palace of the former king of Tooro. Along the way, keep your eyes peeled for the abundant birdlife, up to 26 different species, and a magnificent opportunity to spot hippos.

Return to the lodge and enjoy an evening at leisure.

Overnight: Buffalo Safari Lodge, Queen Elizabeth National Park or similar
Meals included: Breakfast; Dinner

Day 7 Queen Elizabeth National Park Game Drive & River Cruise

This morning, after breakfast, you will enjoy a morning game drive in the park.

This afternoon, you will be rewarded with a river cruise on the Kazinga Channel, a 32 km-long natural channel connecting Lakes George and Edward. The shores of this channel attract a large number of wild animals, birds, and reptiles throughout the year, with one of the largest populations of hippos in the world, as well as plentiful Nile crocodiles. While returning to the lodge, enjoy a short game drive.

Overnight: Buffalo Safari Lodge, Queen Elizabeth National Park or similar
Meals included: Breakfast; Dinner

Day 8 Queen Elizabeth National Park - Lake Bunyonyi

Today, after breakfast, transfer to the Ishasha sector of Queen Elizabeth National Park and enjoy a game drive, where you can seek the famous tree-climbing lions, which this area is known for. While driving through the savannah plains, you will seekother wildlife, such as elephants and a diverse range of bird species. Afterwards, travel onwards to Lake Bunyonyi.

Lake Bunyonyi is located in southwestern Uganda, between Kisoro and Kabale, and is close to the border with Rwanda. It's known as the second-deepest lake in Africa, after Lake Tanganyika.

The Itinerary

Overnight: Birdnest Resort, Lake Bunyonyi or similar
Meals included: Breakfast; Dinner

Day 9 Lake Bunyonyi - Pygmy Village - Bwindi Impenetrable National Park

This morning, after breakfast, enjoy a boat cruise to the Pygmy Village on the other side of the lake. The Batwa, also known as the Pygmy, are an indigenous tribe in Uganda, characterised by their unusually short stature. Their forest culture is worth exploring to learn about their lifestyle and how they are used to surviving without modern-day amenities. Here you will enjoy traditional music and dance. Continue on the boat cruise, enjoying the scenic views of the Kigezi terraces (2,200m – 2,400m), which are tilled by the Bakiga tribe, the second tribe that lives by the lake. You will also enjoy beautiful views of birds, with over 200 species at Lake Bunyonyi, including weaver birds and herons.

This afternoon, return to shore and transfer to Bwindi Impenetrable National Park. "Bwindi" is derived from the Runyakitara language and means "impenetrable". This name comes from the extensive stands of bamboo interspersed amongst the larger forest hardwoods. The bamboo and thick ground cover of ferns, vines, and other plant growth severely hinder direct access on foot. Relax and enjoy the evening at leisure after a travel day of approximately 250 km.

Overnight: Lake Mulehe Gorilla Lodge, Bwindi Impenetrable National Park or similar
Meals included: Breakfast; Dinner

Day 10 Gorilla Tracking in Bwindi Impenetrable National Park

Today, tick off gorilla tracking from your bucket list!

With gorilla permits included in your package, set off to the thick forest in search of gorillas. The terrain can be difficult, with steep slopes covered in dense vegetation that gives the park its name. Additionally, the altitude of up to 1600m requires participants to be reasonably fit. The time taken to track the gorillas will vary enormously, from as little as half an hour to as much as 8-9 hours before one returns to camp, but coming face to face with these amazing primates is extremely rewarding! For those who do not wish to participate, you are welcome to relax at the lodge and enjoy the day at your leisure.

Please note:

- *If you do not wish to carry your pack during this trek, personal porterage is available for approximately $ 20 USD extra per person, payable on tour.*

ACCOMMODATION TERMINOLOGY USE

Standard

A standard property offers clean and basic accommodation. In-house facilities such as restaurants, luggage handling, and fitness and recreation facilities are limited or unavailable. Guest rooms include a private bathroom and minimal additional amenities. The location may vary from central areas to properties that may require public transport, taxi or rideshare to the centre at your own expense.

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Important Information

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Uganda

Uganda is near the Equator. As a result, the climate does not change much and the country can be visited throughout the year. The rainy seasons tend to be from February to April and October to December, but this varies in different areas and it can rain any time of the year, especially in the forest and mountainous areas. Travel can be slower in the rainy season but the views are often better. Gorilla tracking can be muddier but it can certainly be done. In the mountainous areas it is much colder than on the plains and the rainfall is greater. The temperatures on the plains tend to be between 21°C and 30°C and in the mountainous areas they can go down to 10°C in certain months, especially November.

Visas

A single-entry tourist visa is a strict requirement when travelling to Uganda on an Australian or New Zealand passport. This cost is approximately $50 USD (subject to change) and can be arranged online directly through the Uganda Directorate of Citizenship and Immigration. Please start arranging your visa at least three weeks before departure to account for any delays due to consulate operating hours.
A QR code for incoming and outgoing passengers to register themselves online has been introduced at Uganda entry points (borders). For ease of registration at the airport/borders, travellers are now advised to complete the Ministry of Health Passenger Health Declaration Form in advance or on arrival through the online platform. Upon completion, a QR code is issued and must be presented, either in printed form or on a mobile device, at the points of entry and exit.

Supplier Fees

In the event the Travel Offer you have purchased is unable to proceed, and/or a travel Supplier is unable to fulfil the Travel Offer due to external circumstances (Limitation of Liability e.g. a Force Majeure event), there may be a fee or amount of money that is withheld by our Suppliers and is unrecoverable. This may be due to non-refundable airline tickets, cancellation penalties with cruise cabins or unrecoverable payments with our land/ accommodation partners. TripADeal has committed to these costs as your Agent and will endeavour to recover all funds committed and/or paid for your Travel Offer, but this may not be possible in all circumstances. If refunds are unavailable from Suppliers, we will endeavour to obtain a travel credit on the best terms available and communicate these outcomes to you. If TripADeal cannot obtain a refund or travel service credit, or part thereof, this cost is passed on to the customer as a Supplier Fee. This fee is not revenue-raising and is paid to or withheld by our suppliers when recovering payments.
