Day 7 Scenic Cruising The Inside Passage

Alaska's Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of Southeast Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to famed Glacier Bay National Park & Preserve.

Sailing the Inside Passage offers opportunities to spot some of Alaska's most iconic wildlife, with humpback whales and orca plying the bountiful waters alongside the ships, bald eagles soaring overhead and brown bears lumbering on the shoreline.

Day 8 Juneau, Alaska, USA

Arrive: 13:30 - Depart: 22:00

Cruise to Juneau, Alaska, and visit the most remote, most beautiful and strangest state capital in the United States. Surrounded by water, forest and mountain sights, visitors seeking things to do in Juneau can hike a glacier, eat fresh-caught fish on a seaside patio and discover a grand capitol building all in one day.

Juneau is known for its outdoor recreation, fresh seafood and fine dining. The city itself is pleasant, but the real highlight of a visit to Juneau is tracking down some wildlife. You could hike up Mount Roberts to chance upon wild deer and bald eagles. Most optional sightseeing and whale-watching tours head north to Auke Bay - bring a good pair of binoculars to get the best view of these majestic and surprisingly graceful creatures. If you prefer land mammals, you could catch a floatplane to a nearby wildlife reserve such as Chichagof or Admiralty Island to spot bears and more.

The sleepy, misty city of around 32,000, mostly fishermen and small-business owners, has a frontier town vibe, but welcomes more than a million visitors each summer to its natural attractions, cementing Juneau as Alaska's number-one tourist destination. Experience this breathtaking city on your Alaskan cruise.

Please note:

- *Additional charges may apply to the above activities.*
- *Select sailings may also cruise through Tracy Arm Fjord in the morning prior to docking in Juneau.*
- *The order of ports visited, and exact time spent in each port may vary between departure dates. See the Holland America website for the exact itinerary for your specific departure date.*

The Itinerary

Itinerary 1 - Canadian Rockies & Holland America

Day 9 Skagway, Alaska

Arrive: 07:00 - Depart: 20:00

At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields, and quickly grew into Alaska's largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did Skagway, however, today it has been reinvigorated as a gateway for a new kind of visitor: those looking to explore Alaska's colourful history, pristine wildlife and unrivaled natural beauty.

At every turn, you'll find yourself immersed in gold rush lore. With free time you could explore the infamous Red Onion Saloon that still keeps the pistol that Wyatt Earp left behind en route to the Klondike, or the White Pass & Yukon Route Railroad, a classic narrow-gauge railway that traverses rugged mountains and passes cascading waterfalls and towering glaciers as it connects Skagway to Whitehorse deep in the Yukon. Known as the 'Garden City of Alaska,' Skagway is filled with beauty and nature. Much of the town has been preserved as part of the Klondike Gold Rush National Historical Park, where rangers offer free walking tours around the historic district. You'll also find a vibrant local community, home to a rich collection of local galleries, curio shops and restaurants serving seafood plucked fresh from nearby waters.

Please note: The order of ports visited, and exact time spent in each port may vary between departure dates. See the Holland America website for the exact itinerary for your specific departure date.

Overnight: Holland America's Koningsdam
Meals included: Breakfast; Lunch; Dinner

Day 10 Glacier Bay National Park OR Endicott Arm & Dawes Glacier (Cruising Only)

Glacier Bay National Park
(Cruising Only)

Arrive: 06:15 - Depart: 15:30

On your cruise to Glacier Bay National Park, close your eyes and take in the sounds—the creaks and groans of "living" ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers (there are seven in the park), and marine wildlife are givens on Glacier Bay cruises, but every experience in this changing biosphere is unique.

Glacier Bay National Park & Preserve is best explored on an Alaska Cruise and the ships are perfectly sized for an optimal experience. Prepare for inclement weather, even in summer and dress for rain. Pack a hat, gloves, wool or fleece layers, a warm coat and waterproof gear to comfortably admire the landscape from the open deck of your ship. There are glaciers, fjords, inlets, rivers, streams and wildlife galore on Glacier Bay cruises, so bring those binoculars.

Please note:

- *The 26 April 2027 departure will visit Endicott Arm & Dawes Glacier for scenic cruising instead of Glacier Bay National Park.*

Ketchikan has long been an important hub of the salmon fishing and packing industries. Visitors can try their luck on a sportfishing or simply savour the fresh seafood at one of the local restaurants (not included).

Ketchikan is one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You can see intricately carved totem poles at the Totem Heritage Center and Totem Bight State Park, while the attractions of Saxman Village just outside of Ketchikan offers the chance to see Tlingit culture in action, with working carvers and a dance show in the clan house (charges may apply).

Arrive: 14:00 - Depart: 20:00

This narrow fjord is located approximately 80 kilometres southeast of Juneau and is part of the Tracy Arm-Fords Terror Wilderness area. Breathtaking Endicott Arm extends over 48 kilometres long, with nearly one-fifth of its area covered in ice. At the head of the fjord, tidewater glaciers, such as the Dawes Glacier, regularly expel enormous chunks of ice into the waters below in a magnificent process known as calving. During the summer when Princess ships visit, icebergs float along the surface of the glistening water in an array of sizes, from just a few inches up to three stories wide.

Protected within the Tongass National Forest, Endicott Arm is a haven for wildlife. Black and brown bears, deer, wolves, harbor seals, mountain goats and a variety of seabirds have been spotted in the area. As you glide through the pristine fjord, you'll first pass by a lush forest where a number of beautiful waterfalls cascade down, and then you'll be treated to views of snowcapped mountains and blue-tinged glaciers more spectacular than you could ever imagine.

Please note:

Itinerary 2 - Canadian Rockies & Princess Cruises

Day 9 Skagway, Alaska

Arrive: 07:00 - Depart: 20:30

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike, but it wasn't the easiest. Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampeders. Many a would-be miner perished on the treacherous Chilkoot Trail. The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population of about 20,000. Hotels, saloons, dance halls and gambling houses prospered. But when the gold yield dwindled in 1900, so did the population as miners quickly shifted to new finds in Nome. Today, Skagway has less than 1,000 residents. It still retains the flavour of the gold rush era.

Overnight: Princess Cruises' Crown Princess or Emerald Princess
Meals included: Breakfast; Lunch; Dinner

Day 10 Juneau, Alaska

Arrive: 07:00 - Depart: 16:15

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets "as large as beans." From their discovery came three of the largest gold mines in the world. By the end of World War II, more than 0 million in gold had been mined. Eventually the mines closed, but the town Joe Juneau founded became the capital of Alaska and the business of gold was replaced by the business of government. Some 30,000 people live in Juneau. Its total area makes it one of the biggest towns, in size, in the world. Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains.

The Itinerary

Itinerary 2 - Canadian Rockies & Princess Cruises

Day 11 Ketchikan, Alaska, USA

Arrive: 10:00 - Depart: 17:00

Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as an Indian fishing camp. The name Ketchikan comes from a Tlingit phrase that means "eagle with spread-out wings," a reference to a waterfall near town. In the early 1900s, when gold was Alaska's claim to fame, fishing and timber industries were established in Ketchikan. The growth of these industries helped make this Inside Passage port Alaska's fourth-largest city.

Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. The Haida, Tlingit and Tsimshian are all a part of the city's colourful history. Ketchikan, with its abundance of salmon, is also a sport-fishing paradise. Sightseers will be impressed with both the scenic town and its surroundings, especially Misty Fjords National Monument.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

If you get a new passport, you need to get a new eTA.

United States

If travelling on an Australian passport, an ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA. For information on ESTA eligibility or to apply, please visit: https://esta.cbp.dhs.gov/esta/

- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
