Mallorca has a varied history, from the Roman occupation in the 2nd century to Moorish control from the 9th to the 13th century. Later reconquered by the Spanish kings, it rose to wealth and power due to its strategic position along the seagoing trade routes between Africa and Europe.Today, Palma is the largest city, and also the main tourist area, with beaches on either side of the city that overflow with resort hotels. If you venture beyond these environs, the island's natural beauty abounds, and life continues in a predictably underdeveloped atmosphere of simplicity.

Arrive: 07:00 - Depart: 18:00

From the port of Kusadasi on Türkiye's Anatolian Coast, one travels into the past. Nearby stand the ruins of ancient Ephesus, a primary archeological excavation site (optional shore excursion, charges apply).

The city was once a Roman provincial capital and trading centre; Ephesus is also home to several of Christendom's holiest sites. St. Paul preached at the Great Theater, and the ruins of Ephesus' Basilica covered the tomb of Christ's most beloved disciple, St John the Apostle.

In Kusadasi, whitewashed stone houses rise in tiers behind the market district. The palm-lined esplanade is the centre of town life, with thousands of merchants offering wares to rival the Grand Bazaar in Istanbul.

Itinerary 2

Day 16 Mykonos, Greece
Arrive: 07:00 - Depart: 21:00

Thanks to its proximity to the mainland, Mykonos was one of the first Greek islands to become an international travel destination. During the late 60s and early 70s, Mykonos was famed as a haunt for the rich. The island's nightlife - then and now - was a glittering whirl of coloured lights, music and parties.

There's another side to Mykonos - the neighbouring island of Delos (optional shore excursion, charges apply). In classical mythology, Delos was the birthplace of Apollo and his twin sister Artemis. Travellers to Delos can stroll among the island's vast ruins, which include three temples consecrated to the Sun God and the famed Lions Walk.

Mykonos town features hip boutiques, restaurants, jewellery stores, souvenirs, taverns and cafés. The island's famed windmills are found just south of the waterfront.

Day 17 Athens (Piraeus), Greece
Arrive: 06:00 - Depart: 19:00

Dock in Piraeus where you can enjoy a day at leisure to discover nearby Athens. The past maintains a vibrant presence in the cradle of Western civilisation. Atop the Acropolis, the serene Parthenon sails above the commotion of the modern city. The tragedies of Aeschylus, Sophocles, and Euripides were performed in the Theatre of Dionysus at the foot of the Acropolis. On Pnyx Hill, citizens of a fledgling democracy gathered to cast their votes on Athens' destiny.

Then there is the hustle and bustle of the modern city, a metropolis of 4.5 million that spreads out from the foot of Mt Lycabettus and across the plain. Packed with busy shops and lively tavernas, modern Athens is a colourful counterpoint to classical Greece. Located approximately 10 kilometres from Athens, Piraeus is a port city and has been Athens' port of entry for over two millennia. Please note: Charges may apply to the above attractions.

Day 18 Santorini, Greece
Arrive: 07:00 - Depart: 19:00

On Santorini, whitewashed buildings cling to vertiginous cliffs that plunge into a turquoise sea. Part of the Cyclades Archipelago, the three-island group of Santorini, Thirasia and uninhabited Aspronisi present the traveller with unforgettable vistas. The island has had several names throughout history - from Strongyle or "Round" to Thera in honour of an ancient hero. Santorini is more recent and stems from the island church dedicated to St Irene - Santa Rini to foreign sailors.

Please note: This port is accessed by tender boats. Boarding and disembarking tender boats may involve steps and uneven surfaces. While cruise lines strive to provide ease of access, accessibility options can vary at different tender ports. Passengers with mobility concerns are encouraged to inquire about specific arrangements and consider their individual needs when participating in tendering activities.

Please note : On the 18th August 2027 departure, you ship will visit Heraklion, Crete instead of Santorini

Heraklion (Crete), Greece

Arrive: 08:00 - Depart: 18:00

Archaeological evidence shows that Heraklion probably arose during the 9th century B.C. and was named in tribute to the Greek goddess Rhea, mother of Zeus. And like most Mediterranean cities, Heraklion has a long and turbulent history. Officially founded by the Saracens in the 9th century, the Byzantine Empire invaded in 961 only to lose control to the Crusaders who sold Crete to the Venetians in 1211 for a thousand silver coins.

Heraklion finally flourished under the Venetians. Throughout the city you'll find stunning reminders of their influence: the Loggia, Venetian Walls, and Fountain of Morosini are just a few must-see examples. But Heraklion is probably best known as the gateway to the breathtaking 4,000 year-old Minoan ruins at Knossos and to the famous windmills stretched across the Lassithi Plateau.

Bar, Montenegro, is an unsung resort town on the country's south coast. Nestled between breathtaking mountains and the glistening Adriatic Sea, Bar offers plenty of culture and history to discover, nature right on its doorstep, and a string of pebble beaches to relax on.

While Bar may not be as well-known as, say, Kotor or Budva, two of Montenegro's most well-known destinations, travelers will find an authentic atmosphere here, and plenty to see and do during a short visit. Culture and history are present, too. If you enjoy delving into a destination's past, Stari Bar, the picture-perfect old town, is a must-visit, while lazy beach days are encouraged on the coast.

Arrive: 07:00 - Depart: 16:00

The lush and verdant island of Corfu lies in the Ionian Sea, midway between Greece and Italy and offers some of the finest coastal scenery in the entire Mediterranean. The island has a long and colourful history. First colonised by the city-state of Corinth, Corfu has been ruled by the Romans, the Venetians, the French and the English. And those roots are clearly visible in Corfu Town, which boasts fortresses bearing the insignia of the Venetian Republic, an esplanade lavishly planted with palms and eucalyptus by the French during the Napoleonic Wars and an English cricket pitch.

Day 22 Sicily (Messina), Italy
Arrive: 07:00 - Depart: 16:00

Messina has played a major role in European history since its founding as a Greek colony in the 8th century BC. Between the fall of Rome and the 1861 unification of Italy, the Arabs, the Normans, the Germans, the Spanish and the French ruled Sicily. During the Roman Empire, the city was a major port and commercial centre; during the Middle Ages, Messina was the major port of departure for Crusaders.

Many historic treasures remain intact after wars and earthquakes, including the 12th-century Annunziata dei Catalani Church. Messina is also your gateway to the rugged beauty of southeast Sicily, from the seaside town of Taormina to Mount Etna.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

Important Information

CLIMATE & AVERAGE TEMPERATURES

Mediterranean

The Mediterranean region transitions from pleasant spring warmth to intense summer heat and back to mild autumn conditions between May and October, with average maximum daytime temperatures ranging from the low 20C range in the shoulder months to the high 20°C to mid-30°C range during peak summer. In May, temperatures are typically a pleasant 20°C to 25°C, ideal for sightseeing; the weather then heats up dramatically, peaking in July and August where highs commonly exceed 30°C (and can occasionally surpass 35°C in the Eastern Mediterranean and interior areas); by September, the heat eases slightly with averages around 25°C to 27°C, and by October, the weather is generally mild and comfortable, averaging between 20°C and 24°C with increased chances of rain, making the whole period reliably warm and sunny, especially from June through September.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

CRUISE

Embarkation / Disembarkation:

- Begins approximately 2 hours after docking.
- Due to security reasons, all guests must be on board 2 hours before sailing.
- Itineraries are subject to change at any time without notice.
- Check your specific sailing for exact departure and arrival times. All times are local to the port.

Please note: Strict Covid-19 terms may also apply regarding proof of insurance covering Covid-19 and/or vaccination. Please refer to the cruise lines' terms and conditions for further information before boarding.

Cruise Loyalty Discounts:

Please note: Travellers must contact the cruise line directly upon receiving their travel documents in order to request any membership benefits they may be entitled to.

Meals:

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

Please note: We will do our best to meet your requests/requirements; however, we cannot guarantee that we will always be able to.

Luggage:

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle. The driver will assist with the uploading and unloading of bags from the vehicle.

OTHER

Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!
A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. This may include city tours, the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Some areas may be inaccessible to wheelchairs or mobility scooters, with personal walking sticks and other aids required should they be needed. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you. If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever

certificate upon arrival.
You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.
Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

Europe (Shengen Visa Countries)

A tourist visa is not required for Europe for stays up to 90 days if travelling on an Australian passport.

European Union Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travelers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.com.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Türkiye

According to the Law on Foreigners and International Protection which entered into force on 11th April 2014, those foreigners who arrive at sea ports and intend to visit the seaport city or nearby provinces for touristic purpose are exempt from visa provided that their stay does not exceed 72 hours.

Montenegro

You can stay for up to 90 days in 6 months without a tourist visa from the date of entry into Montenegro if travelling on an Australian passport.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
