Fitness Level Required

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!
A moderate level of fitness will be required. Moderate may involve more physical activity, including biking, longer day hikes or extended walking and standing, low-altitude treks, and water-based activities such as canoeing or low-grade kayaking. Guests using any walking aid other than a walking stick would be advised to reconsider as surfaces may be uneven.

Please note: If you have any concerns please consult your healthcare provider prior to purchase/travel.

Important Information

Yellow Fever

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival. You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Sightseeing

Please note: If the entrance to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Wildlife

TripADeal cannot guarantee animal sightings. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Zimbabwe

A tourist visa is a strict requirement when travelling to Zimbabwe on an Australian or New Zealand Passport. Visa options, including Single Entry, Double Entry, and the KAZA Uni-Visa, are available for purchase either online prior to departure or upon arrival at the port of entry (Visa On Arrival - VOA). All visa fees are payable in US Dollars cash (Please bring the exact amount in USD cash).
Travellers must consult their full itinerary to determine the correct visa type required, as border crossings or overnight stays in neighbouring countries will affect the validity of a Single Entry, Double Entry or KAZA Uni-Visa.

New Zimbabwe Immigration Requirements

To streamline and speed up the immigration process on arrival, the Zimbabwe Immigration Department has implemented an online immigration declaration form that ideally should be completed by all travellers prior to arriving at any Zimbabwean border post, including Victoria Falls Airport. This new online process will, in time, replace the manual immigration declaration form and is aimed at improving the guest experience at border control.

- If travellers can't fill it out beforehand, there are fallback options:Completing it on arrival via your own device (if there is Wi-Fi)
- Using devices provided by immigration at the point of entry
- Or filling out a physical form upon arrival, if necessary.

Please note: As it stands, we are not asking clients to have this completed beforehand – we have not had any news that this is a pre-requisite and therefore it is business as usual until such time that it becomes an official requirements.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules may have changed since Covid-19. Some countries and airlines may require you to obtain an additional visa before arrival. Please check with the nearest embassy, consulate or immigration department of the destination you're entering.*

Please note:

- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for Visas. This may, in turn, affect the type of application required.*
