Cruise

Carnival Splendor

It's hard to tell which onboard space best represents Carnival Splendor — they all seem to hint at the amazing time you're going to have. El Morocco Lounge hosts comedy shows, musical performances, karaoke and more... and wears its 1930s namesake clearly on its nameplate. The words 'Royal Flush Casino' incite visions of winning, while the onboard jazz club — The Cool — simply says it all without saying a word. And Fahrenheit 555 can be found not only at the height of elegant dining, but at the actual apex of the ship.
If you like your fun to flow, there are options aplenty. If you list "splishing" and "splashing" among your favourite things to do, there's Carnival WaterWorks. Those into sitting and sliding are invited to try the all-new Green Lightning thrill-slide. How about floating or swimming around? Carnival Splendor has pools all over the place, including the midship pool featuring a retractable roof that makes any day a pool day. So whether you splish or splash, you'll find hydro-excitement galore.
If relaxation is your thing, Serenity Adult-Only Retreat is more your place. Or if you're looking to take relaxation to the extreme, direct your attention to the Cloud 9 Spa, featuring more (and better) ways to kick back than just about anywhere else, on land or at sea. You haven't lived until you've relaxed in a Thalassotherapy pool, or chilled — so to speak — in a dry heat chamber.

Onboard purchases

: Charged to your Sail & Sign card and onboard account.

Payment

: Link a credit or debit card, or add cash to your onboard account using the ship's facilities.

Currency

: Your onboard spending is in AUD.

Card fees

: Carnival lists fees of 1.1% for Visa and Mastercard credit cards and 2.75% for American Express. Eligible Australian-issued Visa and Mastercard debit cards generally have no Carnival transaction fee. Your bank may still charge its own fees. (subject to change)
No currency exchange service on board.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Indonesia

A visa is required:
1. All guests visiting Indonesia must have a visa, including passengers who choose to

Important Information

remain onboard rather than go ashore.
2. Carnival can arrange it onboard.
Carnival's published guidance says eligible passengers can receive a 'Visa on Arrival' onboard, with the fee charged to their Sail & Sign account.
3. Budget approximately AU$53 per person.
Carnival currently lists an approximate cost of AU$53 (or US$35), subject to confirmation before departure. This is per applicant, not per port.

Singapore

- Visa: Not required for a normal short tourist visit.
- Passport: Must have at least six months of validity.
- SG Arrival Card: Submit it free of charge within three days before arrival, including your arrival day.
- Yellow fever certificate: Required only if you meet Singapore's criteria relating to recent travel to a yellow-fever-risk country.
- Please refer to Carnival Cruise Lines for further updates on the above information, requirements and cost.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
