Greek Accommodation Tax

* As part of its comprehensive strategy to finance the reconstruction efforts following devastating forest fires and floods, the Greek government has introduced a new accommodation tax, which has officially taken effect from January 2024. Known as the “climate resilience levy”, this tax represents a significant departure from the previous bed tax and is structured to be paid by tourists at their lodging upon check-in. This fee will vary depending on the travel season. From March to October, the new tourist tax will increase accommodation costs.
The fees for hotels will increase as follows:

- Approximately 5 euros per night for 3-star hotels
- Approximately 10 euros per night for 4-star hotels
- Approximately 15 euros per night for 5-star hotels

Please note: From November to February, the rate will vary from 1.5 euro to 4 euros, depending on the hotel category.

Greece

Gratuities (tips) are not included for the services of the tour leader (when available)

Important Information

and driver throughout the tour. The recommended tip is approximately €5 EUR per person per day. This covers the guide/leader and the driver and will be collected on tour.

Türkiye & Egypt

Gratuities (tips) are not included for the services of the tour leader (when available) and driver throughout the tour. The recommended tip is 8 Euros per person per day for Türkiye and $10 USD per person per day for Egypt. This covers the guide/leader and the driver and will be collected on tour.

Please note: In Egypt tipping is a firm and customary element of the tourism industry and is therefore highly recommended. While tipping is not mandatory, it is a common practice in Egypt and a gesture of appreciation which is shared amongst the local guides, drivers and other staff members who have serviced your tour. As most tour guides in Egypt consider tipping a part of their income, please don't feel intimidated should the tour guides approach you for payment.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Greece

Temperatures in March, experience mild temperatures with gradual warming as the month progresses. Coastal areas and islands typically have average daytime temperatures ranging from 15°C to 20°C. Inland areas, including cities like Athens and Thessaloniki, can have temperatures ranging from 10°C to 15°C.
April is a great time to visit Greece, when the mean temperature is 21 °C degrees and rainfall is minimal and continues on through to October with average temperatures ranging from 21-29 °C. Days are sunny and clear!

Türkiye

Temperatures in May/June and September/October are between 22 and 30°C. January/December has an average temperature of around 15°C. The continental climate in Türkiye is characterised by dry summers and sometimes snowy winters. Rainfall is sparse and the region is largely semi-arid to arid. There is a sharp difference in the temperature between day and night and it is not uncommon to have cold nights interspersed with hot days.

Egypt

There is never a shortage of sunshine in Egypt, with averages of 11 hours a day during the summer and 8 hours a day in winter. From April to October the average temperature ranges from 21-28 C while between November and March this drops to 13-20C. This does vary along the Mediterranean coast which, while still warm, is more prone to periods of cloud and rain in winter. Generally, winters in Egypt are warm enough to allow pleasant and comfortable travelling all year long, though travellers should be prepared for cold nights.

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!
A moderate level of fitness will be required. Moderate may involve more physical activity, including biking, longer day hikes or extended walking and standing, low-altitude treks, and water-based activities such as canoeing or low-grade kayaking. Guests using any walking aid other than a walking stick would be advised to reconsider as surfaces may be uneven.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Sightseeing

Please note: If the entrance to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

Greece

A tourist visa is not required for Europe for stays up to 90 days if travelling on an Australian or New Zealand passport.

European Union Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.com.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Türkiye

A tourist visa is not required for stays of up to 90 days within a 180-day period when travelling on an Australian or New Zealand Passport. If you intend to stay longer, you must apply for a Turkish residence permit.

Egypt

A tourist visa is a strict requirement when travelling to Egypt on an Australian or New Zealand passport. The tourist visas' are available for purchase upon arrival.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules may have changed since Covid-19. Some countries and airlines may require you to obtain an additional visa before arrival. Please check with the nearest embassy, consulate or immigration department of the destination you're entering.*

Please note:

- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
