The Taj Mahal was commissioned by Shah Jahan in 1631, to be built in memory of his wife Mumtaz Mahal, construction of the Taj Mahal began in 1632 and the principal mausoleum was completed in 1643 with the surrounding buildings and garden finished about five years later. Known as the southern hill country, Nuwara Eliya sits beneath the towering Pidurutalagala mountain in a bowl of verdant, tea-covered hills. Although the region was once occupied by the Kandyan kingdom, the town itself is very much a British creation as it was established in the mid-19th century as a retreat by Sir Edward Barnes and touted as Sri Lanka's 'Little England' for the way this Victorian relic resembles a quaint English country village.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.
