#### Day 4 Taj Mahal - Agra Fort

After breakfast enjoy a city tour of Agra, starting at the iconic Taj Mahal. The world famous Taj Mahal is where you will see the undeniable beauty that incorporates and expands on design traditions of Persian and earlier Mughal architecture. While earlier Mughal buildings were primarily constructed of red sandstone, Shah Jahan promoted the use of white marble inlaid with semi-precious stones. The Taj Mahal was commissioned by Shah Jahan in 1631, to be built in memory of his wife Mumtaz Mahal. Construction of the Taj Mahal began in 1632, the principal mausoleum was completed in 1643 and the surrounding buildings and garden were finished about five years later.

Afterwards, see the Agra Fort (Red Fort). A fascinating sight, it showcases a high level of ornamentation and the Kohinoor diamond was reportedly part of the furnishings. The fort's artwork mixes Persian, European and Indian art, resulting in a unique Shahjahani style rich in form, expression and colour. Red Fort is one of the building complexes of India encapsulating a long period of history, arts and its innovative architectural style, including its garden design which influenced later buildings and gardens in Delhi. In 2007, it was designated a UNESCO World Heritage Site as part of the Red Fort Complex.

## FLIGHTS

### Seat Selection & Frequent Flyer Points

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

### Passport Validity

Customers must provide valid passport details either at the time of purchase or no later than 45 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

## Visas

### India

A tourist visa for India is a strict

requirement if travelling on an Australian or New Zealand passport. You will be able to start your visa application process once you receive your final travel documentation approximately 6 weeks prior to departure.

### Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules may have changed since Covid-19. Some countries and airlines may require you to obtain an additional visa before arrival. Please check with the nearest embassy, consulate or immigration department of the destination you're entering.*

### Please note:

- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
