KATHMANDU • LANGTANG NATIONAL PARK

The Offer

Immerse yourself in a Himalayan mountain adventure like no other. This bucket-list journey begins in Nepal's capital, Kathmandu where you'll gain insights from local artisans, discover centuries-old stupas and share in the spiritual devotion of pilgrims as they spin their prayer wheels.

Explore an impressive mix of ancient UNESCO-listed sites and monuments, before discovering traditional markets for the chance to grab some chocolate, nuts and other tasty snacks for the trail ahead.

Bump your way along the road to Syabrubesi where you'll start and end your epic trek through Langtang National Park. Begin by crossing a suspension bridge to follow the Langtang Khola River, along steep, yet serene forested pathways. Catch stunning views of the majestic Himalayan mountains and look for glimpses of playful langur monkeys on the steady climb to 2470 metres through the Langtang Valley.

Stay at simple, comfortable, local Tea Houses, purpose built for adventurers and mountaineers who visit these impressive, yet remote locations. Share a Nepalese Dal Bhat

of spicy lentil curry, taste Momos (local dumplings) or try a steaming cup of Tibetan tea with Yak butter while relaxing after your daily trek.

As the trail opens up to idyllic yak pastures, hike past traditional villages, solitary Buddhist shrines and fluttering prayer flags. Climb up from the picturesque Langtang Valley to a peak altitude of 3870 metres to arrive in Kyanjin Gumpa for a well-earned rest day. Keep the energy moving when you join an early morning hike up to Tserko Ri's breathtaking snowy panorama.

On the return descent, choose to search for cascading waterfalls as you drop down along the rugged path, or branch out to trek the spectacularly scenic trail from Rimche, ultimately reaching your end goal at Syabribesi.

On your return to Kathmandu, take the opportunity to finish your adventure on a high with an awe-inspiring helicopter flight over sherpa villages and icy glaciers to Mt Everest Base Camp and beyond.

The Itinerary

Day 3 Kathmandu - Syabrubesi

After an early morning breakfast, leave Kathmandu for the drive to Syabrubesi, located in the Langtang Valley (approximately 130 kilometres, 8 hours).

As you depart the Kathmandu Valley, the road climbs over green hills and mountain ridges, offering impressive views of snow-capped mountains. Passing through small villages along the way, the long and bumpy road eventually leads to Syabrubesi village for your overnight stop.

Syabrubesi is the starting point for several major trekking routes, including the Langtang Valley Trek. Originally part of the salt trade route between Nepal and Tibet, the village saw the construction of a road in the 1980s to facilitate gem mining. Following the opening of the road, trekkers began arriving and tea houses were established to provide places for them to sleep.

Altitude: 1500 metres.

Overnight: Simple Teahouse or similar, Syabrubesi
Meals included: Breakfast; Lunch; Dinner

Day 4 Syabrubesi - Lama Hotel

Begin your first day of trekking by crossing the suspension bridge over the Trishuli River, a tributary of the Bhote Kosi (Tibet River), which flows from nearby Tibet. The trail then follows the Langtang Khola River to gradually climb through pine and rhododendron woodlands, passing small villages and terraced fields. The forest provides perfect cover for langur monkeys, red pandas and other wildlife.

Stop for lunch in one of the peaceful settlements along the way before continuing the trek, with a final steep ascent to the small village of Lama Hotel, where you will spend the night.

The trekking duration today is approximately 6-7 hours.

Altitude: 2470 metres.

Overnight: Simple Teahouse or similar, Lama Hotel
Meals included: Breakfast; Lunch; Dinner

Day 5 Lama Hotel - Langtang Village

Start your day with a gentle walk alongside a river before the trail climbs through dense forests, offering beautiful landscapes. As you trek, you'll catch occasional glimpses of the majestic snow-capped peaks peeking from behind lush hills. At Ghoda Tabela (3,030 metres) where the narrow river valley spreads out, permits are registered.

The trail then ascends through yak pastures - a clear sign you're trekking at high altitude, as yaks are rarely seen below 3,000 metres. Continue to Chyamki village, passing by chortens (Buddhist shrines and monuments), water mills, prayer wheels and small stone walls encircling fields of potatoes and turnips. Finally, reach the picturesque Langtang Village to stay the night.

The trekking duration today is approximately 6-7 hours.

Altitude: 3430 metres.

Overnight: Simple Teahouse or similar, Langtang Village
Meals included: Breakfast; Lunch; Dinner

13-DAY TOUR PACKAGE | LANGTANG ADVENTURE TREK

The Itinerary

Day 6 Langtang Village - Kyanjin Gompa

Depart Langtang Village this morning for today's shorter trek. As the trail ascends, the valley opens up and the views become increasingly spectacular. Pass through several remote villages and make your way across small streams on your way to Kyanjin Gompa. Along the trail, keep a lookout for the fascinating Buddhist mani walls, constructed with stones of varying shapes and sizes, with each carved with important religious mantras.

Kyanjin Gompa is surrounded by snow peaks on all sides and features a small monastery and a government-operated cheese factory, which you can visit.

The trekking duration today is approximately 3-4 hours.

Altitude: 3870 metres.

Please note: Be mindful of the increasing altitude, which can make you tired and out of breath.

Overnight: Simple Teahouse or similar, Kyanjing Gompa

Meals included: Breakfast; Lunch; Dinner

Day 7 Kyanjin Gompa - Rest Day

At Kyanjin Gompa, enjoy a day of rest or explore the surrounding area further. For those feeling more energetic, an early morning hike to Tserko Ri (4,984 metres) is highly recommended. This viewpoint offers stunning panoramic views of the nearby Langtang peaks and glaciers, including Langtang Lirung rising well over 7,000 metres, Ganesh Himal, Shishapangma, Kang Guru and Dorje Lakpa.

Be prepared for a tough hike, as the trail to Tserko Ri is not well marked, however the breathtaking scenery is truly worth the effort.

The trekking duration to Tserko Ri is approximately 7-8 hours.

Altitude: 3870 metres.

Overnight: Simple Teahouse or similar, Kyanjing Gompa

Meals included: Breakfast; Lunch; Dinner

Day 8 Kyanjin Gompa - Lama Hotel

Begin the descent, following the same trail back to Lama Hotel. From Kyanjin Gompa, descend to Langtang Village, walking through picturesque pastures. The trail then drops down through dense forests, providing a beautiful contrast to the higher altitudes.

As you walk along the Langtang River bank, you'll pass by enchanting waterfalls before reaching Lama Hotel.

The trekking duration today is approximately 6-7 hours.

Altitude: 2470 metres.

Overnight: Simple Teahouse or similar, Lama Hotel

Meals included: Breakfast; Lunch; Dinner

Day 9 Lama Hotel - Syabrubesi

Continue retracing your steps to Syabrubesi, enjoying the serene and quiet forested hills along the way. approximately USD\$50, valid for 30 days. Visas must be arranged in USD currency at the border with 2 passport sized photos.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
