CLIMATE & AVERAGE TEMPERATURES
Winter, from December to February, is cold. The average temperature is just above freezing (0 °C) but cold spells, during which the temperature can drop to about -10/-15°C, are not rare. The wind chill can make the air feel colder than it actually is.
In spring, from March to May, the weather continues to be unstable. The first warm days alternate with the return of cold weather. In April, the temperature can sometimes exceed 25°C. By May, the average temperature becomes pleasant, although there can still be cool days, while the first heat waves can bring the temperature above 30°C.
Summer, from June to August, is hot, especially in July and August. However, there are different situations also in this season. Cool days with highs around 23/25°C, alternate with hot days and highs around 28/30°C
Autumn, from September to November, is milder and less unstable than the other

Important Information

seasons, at least in the first part. In early September, the weather is often still characterised by heat and humidity with sunshine. Then it quickly becomes mild and relatively quiet until mid-October, while in the second half of October, the first cold days may occur. November can be a good time of year to visit New York because it's not quite too cold to spend time outdoors. Temperatures vary from 14 degrees to 8 degrees. November is a good time to wear layers in NYC as the weather can vary from cool and mild to cold.

FLIGHTS

Seat Selection & Frequent Flyer Points

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.
Dietary Requests
Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

This may include city tours, and the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. United States of America

An ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. For information on ESTA eligibility or to apply, please visit https://esta.cbp.dhs.gov/esta/. Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*

Please note:

- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
