This breathtaking alpine location offers the best of both water sports and mountain activities. It is part of the scenic “Italian Lakes district” that skirts the border of Switzerland, that includes Lake Como and Lake Garda in its gorgeous trifecta. Here you’ll find spectacular scenery, alpine ambience, Swiss order and Italian warmth.

Explore the famous town of Stresa, the pearl of Lake Maggiore, the elegant town that has attracted writers and artists for more than a century. Stresa enjoys a splendid location on Lake Maggiore in the Gulf of Borromeo, where it overlooks the eponymous islands, the main attraction in the region. Its beautiful countryside, architectural gems and mild climate combine to make Stresa one of the most popular tourist attractions in Italy.

A particularly attractive feature is that Lake Maggiore is sprinkled with intriguing islands, known as the Borromeo Islands, for the influential Borromeo family that still owns and maintains palaces on two of the islands.

Enjoy a guided tour of the Borromeo Islands. Take a boat ride to Isola Bella “Beautiful Island” which has an elegant and sprawling Baroque palace (entry included) and terraced gardens. Explore the Baroque at its most astonishing in the Borromeo Palace (entry included). In the heart of Borromeo, the Galleria Berthier is a mosaic of over 130 paintings including masterpieces and, following a practice that is recurrent in other noble collections of the period, a number of copies of the great masters of the past of the calibre of Raphael, Correggio, Titian and Guido Reni.

Continue to discover by boat the Isola dei Pescatori, “island of the fishermen’ which is the only one with a year-round population – 32 hearty souls reside here along the cute cobbled streets and keep the fishing traditions alive.

Today you can taste some of the famous local specialties. There is much to appreciate in the area's cuisine, which takes cues from Italy, France and Switzerland. This is a rice-growing region, so you’ll find creamy risotto just as commonly as pasta. They

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Important Information

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

- *If you have any concerns, please consult your healthcare provider prior to purchase/travel.*

Visas

A tourist visa is not required for Europe for stays up to 90 days if travelling on an Australian or New Zealand passport.

EU Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.com.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
