CLIMATE & AVERAGE TEMPERATURES

Singapore

Singapore has a tropical rainforest climate, which means it's warm and humid year-round, with temperatures typically ranging from 25°C to 31°C (77°F to 88°F). The city experiences frequent rainfall, especially during the monsoon seasons from November to January and June to September. Humidity is consistently high, and short, heavy showers can occur almost daily, often followed by sunshine. Despite the wet spells, the weather is generally predictable, making Singapore a comfortable destination for those who enjoy tropical climates.

Maldives

The Maldives enjoys a tropical monsoon climate, characterised by warm temperatures and plenty of sunshine year-round. Temperatures typically range from 25°C to 31°C. The islands experience two

distinct monsoon seasons: the dry season from November to April, and the wet season from May to October, when short but intense rain showers are common. Humidity is high, but cooling sea breezes help maintain a comfortable atmosphere. Overall, the Maldives offers warm, pleasant weather, making it an ideal destination for beachgoers and water lovers.

FLIGHTS

Seat Selection & Frequent Flyer Points

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Passport Validity

Customers must provide valid passport details either at the time of purchase or no later than 45 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

Sightseeing

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour

Important Information
