Visas

An ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA. For information on ESTA eligibility or to apply, please visit <https://esta.cbp.dhs.gov/esta/>. Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important Information

- Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.
 - Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.
 - It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.
 - Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.
 - It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.

Supplier Fees

In the event the tour package you have purchased is unable to proceed, and/or a Travel Supplier is unable to fulfil the tour due to external circumstances (Limitation of Liability e.g. a Force Majeure event), there may be a fee or amount of money that is withheld by our Suppliers and is unrecoverable. This may be due to non-refundable airline tickets, cancellation penalties with cruise cabins or unrecoverable payments with our land/ accommodation partners. If refunds are not available from Suppliers, we will endeavour to obtain a travel credit on the best terms available and communicate these outcomes to you. In the event we are unable to obtain a refund or travel service credit, or part thereof, this cost is passed on to the customer as a Supplier Fee.

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
