The Itinerary

Day 7 Scenic Cruising, The Inside Passage

Alaska's Inside Passage is a protected network of waterways that wind through glacier-cut fjords and lush temperate rain forests along the rugged coast of Southeast Alaska. Arguably one of the greatest cruising routes in the world, the Inside Passage stretches through stunning landscapes, from Misty Fjords National Monument to famed Glacier Bay National Park & Preserve.

Sailing the Inside Passage offers opportunities to spot some of Alaska's most iconic wildlife, with humpback whales and orca plying the bountiful waters alongside the ships, bald eagles soaring overhead, and brown bears lumbering on the shoreline.

Numerous ports along the way recount Alaska's colorful history. In Sitka, an onion-domed church marks Russia's onetime foothold in the Americas; Ketchikan provides a glimpse of the Native Alaskan experience, with historic totem poles and native-arts galleries; and the legendary town center of Skagway bustles as it did at the turn of the 19th century, when it served as the rowdy Wild West gateway to the Klondike Gold Rush.

Overnight: Holland America 'Koningsdam'

Meals included: Breakfast; Lunch; Dinner

Day 8 Tracy Arm Inlet - Juneau, Alaska

Tracy Arm Inlet Cruising Arrive 09:00 - Depart 09:30

Steep cliffs and glacier-covered mountains flank this fjord, which is fringed by the largest intact coastal temperate rain forest in the United States. Old-growth trees colonized Tracy Arm's mouth long ago as the Ice Age retreated. But further up the sinuous 48-kilometre waterway, its icy grip lingers a little. There, the twin Sawyer Glaciers flow from the peaks down to the sea, sloughing off stories-high chunks of water frozen for decades or even centuries before. Even more glorious than nearby Glacier Bay, Tracy Arm is part of the 5.7 million acres (or around 23,000 square kilometers) of pure wilderness sheltered by the Tongass National Forest (America's biggest).

Visitors often see bears, whales and mountain goats roaming across various corners of this pristine area—not to mention chubby baby seals resting on the ice floes. Summer temperatures average 0 to 16 degrees Celsius, so pack warm clothing. And don't forget the waterproof gear, even when travelling by cruise ship. More than a meter and a half of rain falls here each year! We also recommend a water bottle, thermos or reusable coffee cup. On scenic cruising days, cruise ships ban paper and disposable plastic products that could litter this unsullied environment.

Juneau, Alaska Arrive 13:30 - Depart 22:00

Cruise to Juneau, Alaska and visit one of the most remote, beautiful and strangest state capitals in the United States. Surrounded by water, forest and mountain sights, you can seek

The Itinerary

things to do in Juneau indoors and outdoors. Hike a glacier, eat fresh-caught fish on a seaside patio and tour a grand capitol building all in one day (optional shore excursions).

Juneau is known for its outdoor recreation, fresh seafood and fine dining. The city itself is pleasant, but the real highlight of a visit to Juneau is tracking down some wildlife. Most sightseeing and whale-watching tours head north to Auke Bay—bring a good pair of binoculars to get the best view of these majestic and surprisingly graceful creatures. If you prefer land mammals, catch a floatplane to a nearby wildlife reserve, such as Chichagof or Admiralty Island, to spy some bears lolling around on a cruise shore excursion. The sleepy, misty city of around 32,000 has a frontier town vibe but welcomes more than a million visitors each summer to its natural attractions, cementing Juneau as Alaska's number-one tourist destination.

Overnight: Holland America 'Koningsdam'

Meals included: Breakfast; Lunch; Dinner

Day 9 Skagway, Alaska

Arrive 7:00 - Depart 20:00

At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields and quickly grew into Alaska's largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did Skagway, until its revival as a gateway for visitors eager to explore Alaska's rich history, wildlife, and natural beauty.

At every turn, you'll find yourself immersed in gold rush lore, from the infamous Red Onion Saloon that still keeps a pistol that Wyatt Earp left behind en route to the Klondike, White Pass & Yukon Route Railroad. Known as the 'Garden City of Alaska,' Skagway is filled with beauty and nature. Much of the town has been preserved as part of the Klondike Gold Rush National Historical Park. Discover a vibrant local community, home to a rich collection of local galleries, curio shops and restaurants serving seafood plucked fresh from nearby waters.

Overnight: Holland America 'Koningsdam'

Meals included: Breakfast; Lunch; Dinner

Day 10 Glacier Bay National Park OR Endicott Arm & Dawes Glacier (Cruising Only)

Arrive 7:00 - Depart 16:00

On your cruise to Glacier Bay, close your eyes and take in the sounds as you listen to the creaks and groans of "living" ice, the shrill cries of gulls and soaring eagles, and the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers and marine wildlife are given on Glacier Bay cruises, but every experience in this changing biosphere is unique.

Prepare for inclement weather and dress for rain, even in summer. You'll want to pack a hat, gloves, wool or fleece layers, a warm coat and waterproof gear to comfortably admire the landscape from the open deck of your ship. With glaciers, fjords, inlets, rivers, streams and wildlife galore, you'll also want to bring your binoculars.

Please note:

15-DAY CRUISE & TOUR PACKAGE | ROCKIES RAIL & CRUISE

The Itinerary

- *Route and timing are subject to weather and ice conditions*
- *The 4th & 18th May 2026 departure dates will travel through Endicott Arm/Dawes Glacier, replacing Glacier Bay.*

Endicott Arm & Dawes Glacier Arrives 08:00 - Depart 14:30

Endicott Arm is a 30-mile fjord that snakes through the Tracy Arm-Fords Wilderness Area. At the head is the majestic Dawes Glacier. Find a good spot on our spacious decks or get cozy on your verandah and take in the views. Glide past waterfalls that spool like silver ribbons from soaring mountain peaks. As you go deeper into the narrow fjord, the water changes color from gray to jade, the temperatures dip, and the bergy bits (ice chunks) become larger and more plentiful.

The 600-foot-tall, mile-wide Dawes Glacier takes center stage just around a bend. The ship will sidle up to this brilliant blue giant for a chance to witness calving, when ice breaks off and plunges into the sea. Dawes Glacier regularly rumbles with white thunder, so keep your camera ready!

Wildlife sightings are common, so bring your binoculars. Endicott Arm and Dawes Glacier are the breeding grounds of harbor seals, one of Alaska's cutest critters. In the spring, you can see chubby pups chilling with mom on floating ice. You might also spot mountain goats balancing on cliffs or humpback whales swimming with their pods. Scan the valleys for brown and black bears. An Alaska cruise to Endicott Arm and Dawes Glacier is unforgettable. Soak in every minute.

Overnight: Holland America 'Koningsdam'
Meals included: Breakfast; Lunch; Dinner

Day 11 Ketchikan, Alaska

Arrive 11:00 - Depart 19:00

Today, you'll cruise to Ketchikan, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain. Ketchikan has long been an important hub of the salmon fishing and packing industries, so why not try your luck sportfishing or simply savouring the fresh seafood at one of the local restaurants (not included).

This is one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You'll find intricately carved totem poles at the Totem Heritage Center and Totem Bight State Park, while the attractions of Saxman Village, just outside of Ketchikan, offer the chance to see Tlingit culture in action with working carvers and a dance show in the clan house.

Overnight: Holland America 'Koningsdam'
Meals included: Breakfast; Lunch; Dinner

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour

guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

Visas

Canada

Australian and New Zealand passport holders must apply for an electronic travel authorisation (eTA) before travelling to Canada by air. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new eTA.

United States

If travelling on an Australian or New Zealand passport, an ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport

expires (whichever is sooner) and will allow multiple entries into the USA.

For information on ESTA eligibility or to apply, please visit:

<https://esta.cbp.dhs.gov/esta/>

Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
