Day 13 Tracy Arm Inlet & Juneau, Alaska, US Tracy Arm Inlet

Arrives 10:00 - Departs 10:30

20-DAY CRUISE & TOUR PACKAGE | YELLOWSTONE, ALASKA & CANADA 2026

The Itinerary

Steep cliffs and glacier-covered mountains flank this fjord, fringed by the largest intact coastal temperate rain forest in the United States. Old-growth trees colonised Tracy Arm's mouth long ago as the Ice Age retreated. But further up the sinuous 48-kilometre (30-mile) waterway, its icy grip lingers a little. There, the twin Sawyer Glaciers flow from the peaks down to the sea, sloughing off stories-high chunks of water frozen decades or even centuries before. Even more glorious than nearby Glacier Bay, Tracy Arm is part of the 5.7 million acres (or around 23,000 square kilometres) of pure wilderness sheltered by the Tongass National Forest (America's biggest). Visitors often see bears, whales and mountain goats roaming across various corners of this pristine area—not to mention chubby baby seals resting on the ice floes. Summer temperatures average 35 to 60 degrees Fahrenheit (0 to 16 degrees Celsius), so pack warm clothing. And don't forget waterproof gear, even when travelling by cruise ship: More than a metre and a half of rain falls here each year! We also recommend a water bottle, thermos or reusable coffee cup: On scenic cruising days, cruise ships ban paper and disposable plastic products that could litter this unsullied environment.

Juneau

Arrives 13:30 - Departs 21:00

Cruise to Juneau, Alaska and visit the most remote, most beautiful and strangest state capital in the United States. Surrounded by water, forest and mountain sights, visitors seeking things to do in Juneau indoors and outdoors can hike a glacier, eat fresh-caught fish on a seaside patio and tour a grand capitol building all in one day.

Juneau is known for its outdoor recreation, fresh seafood and fine dining. The city itself is pleasant, but the real highlight of a visit to Juneau is tracking down some wildlife. You can hike up Mount Roberts to chance upon wild deer and bald eagles. Most sightseeing and whale-watching tours head north to Auke Bay—bring a good pair of binoculars to get the best view of these majestic and surprisingly graceful creatures. If you prefer land mammals, catch a floatplane to a nearby wildlife reserve such as Chichagof or Admiralty Island to spy some bears lolling around on an Alaska cruise excursion.

The sleepy, misty city of around 32,000—mostly fishermen and small-business owners—has a frontier town vibe, but welcomes more than a million visitors each summer to its natural attractions, cementing Juneau as Alaska's number-one tourist destination.

Overnight: Holland America Zaandam

Meals included: Breakfast; Lunch; Dinner

Day 14 Skagway, Alaska, US

Arrives 06:30 - Departs 21:00

At the height of the Klondike Gold Rush, the port town of Skagway served as the primary gateway to the legendary gold fields, and quickly grew into Alaska's largest settlement. It was then a raucous frontier hub packed with trading posts, saloons and guesthouses. As the gold rush faded into the 1900s, so did Skagway—but today it has been reinvigorated as a gateway for a new kind of visitor: those looking to explore Alaska's colourful history, pristine wildlife and unrivalled natural beauty.

20-DAY CRUISE & TOUR PACKAGE | YELLOWSTONE, ALASKA & CANADA 2026

The Itinerary

Set sail on an Alaska Cruise and take an adventure in Skagway. At every turn, you'll find yourself immersed in gold rush lore, from the infamous Red Onion Saloon that still keeps a pistol that Wyatt Earp left behind en route to the Klondike, to the White Pass & Yukon Route Railroad, a classic narrow-gauge railway that traverses rugged mountains and passes cascading waterfalls and towering glaciers as it connects Skagway to Whitehorse deep in the Yukon. Known as the "Garden City of Alaska," Skagway is filled with beauty and nature. Explore the town on a Skagway excursion. Much of the town has been preserved as part of the Klondike Gold Rush National Historical Park, where rangers offer free walking tours around the historic district. Take an Alaska Cruise to Skagway and you'll also find a vibrant local community, home to a rich collection of local galleries, curio shops and restaurants serving seafood plucked fresh from nearby waters.

Overnight: Holland America Zaandam
Meals included: Breakfast; Lunch; Dinner

Day 15 Glacier Bay Arrives 07:00 - Departs 16:00

On your cruise to Glacier Bay, close your eyes and take in the sounds—the creaks and groans of “living” ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers (there are seven in the park), and marine wildlife are given on Glacier Bay cruises, but every experience in this changing biosphere is unique.

Prepare for inclement weather, even in summer and dress for rain. Pack a hat, gloves, wool or fleece layers, a warm coat and waterproof gear to comfortably admire the landscape from the

open deck of your ship. There are glaciers, fjords, inlets, rivers, streams and wildlife galore on Glacier Bay cruises, so bring those binoculars.

Overnight: Holland America Zaandam
Meals included: Breakfast; Lunch; Dinner

Day 16 Ketchikan, Alaska, US Arrives 22:00 - Departs 19:00

Take an adventure and cruise to Ketchikan, Alaska. Alaska's "First City" of Ketchikan is so named because it's the first major landfall for most cruisers as they enter the picturesque fjords of the Inside Passage, where the town clings to the banks of the Tongass Narrows, flanked by green forests nurtured by abundant rain.

Ketchikan has long been an important hub of the salmon-fishing and -packing industries. Visitors can try their luck on a sport-fishing or simply savour the fresh seafood at one of the local restaurants on a cruise to Ketchikan excursion. Ketchikan is also one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You can see intricately carved totem poles at the Totem Heritage Center and Totem Bight State Park, while the attractions of Saxman Village just outside of Ketchikan offer the chance to see Tlingit culture in action, with working carvers and a dance show in the clan house. On an Alaska cruise to Ketchikan don't forget to leave time to explore the sights in the town itself, including historic Creek Street, a boardwalk built over the Ketchikan Creek, where you can shop for souvenirs, smoked salmon and local art, while exploring gold rush-era tourist attractions like Dolly's House Museum.

The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

Visas

Canada

Australian and New Zealand passport holders must apply for an electronic travel authorisation (eTA) before travelling to Canada by air. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically linked to a traveller's passport. It is valid

for up to five years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new eTA.

United States

If travelling on an Australian or New Zealand passport, an ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA.

For information on ESTA eligibility or to apply, please visit <https://esta.cbp.dhs.gov/esta/>

Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

- Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.
- Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.
- It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.
- Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.
- It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
