Getting To The Event

Plan your trip in advance to ensure getting to and from Allegiant Stadium is part of the game-day fun.

- The best walking option for accessing Allegiant Stadium is from Las Vegas Blvd via Hacienda Bridge, which will be closed to automobile traffic on select event-days, allowing fans to safely walk across.
- Rideshare options are available at Allegiant Stadium. Rideshare pick-up and drop-off is located in Lot N, just north of the stadium.
- Once you are on the Strip, the RTC's Deuce bus runs 24/7 every 15 minutes from 57 stops along Las Vegas Blvd with the closest stop near Hacienda Bridge at Mandalay Bay. A 24-hour pass, priced at \$8 USD, allows you to ride the Deuce to the game, back and anywhere else on the Strip you would like to go. Passes can be purchased on the RTC app.
- A dedicated area west of the Stadium near Diablo and Procyon is available for taxis, shuttles, and general drop-off and pick-up before and after games.
- Single-event or game-day parking passes are available via the SpotHero app and must be purchased in advance.
- If you are driving your own car, allow plenty of time to get to the Stadium, many of the streets in the area will be converted to one-way on game or event days. Vehicles are not permitted to park overnight prior to game day.

Please note: A reminder also that Allegiant Stadium is a cashless stadium. Payment for

parking and concessions must be made by debit/credit card or mobile payment.

Gratuities/tipping

Important Information

Land

Gratuities are not included in the package price for additional services. In the United States, it is customary to tip at restaurants, cafes, and diners, as well as for services provided by taxi drivers (excluding Uber), valet attendants, porters, and hotel housekeeping staff. A general guideline is 15%–20% of the total bill at dining venues, while tips for service staff are left to your personal discretion. Some sit-down restaurants may automatically add a gratuity to your bill—if this occurs, no additional tip is necessary unless you wish to recognise exceptional service. Gratuities are not included for the airport transfer or drivers/guides on the optional tours. A tip of \$5 USD per person for each driver/guide is recommended.

Please note: Tipping is always at your discretion. However, it is considered a standard part of income for many service workers in the U.S., and it is not uncommon for staff to request a tip. There is no need to feel uncomfortable in these situations.

Other Important Information

Return Airport Transfers

Please note: The return airport transfer will be provided via group coach. Customers will transfer to the hotel and airport with other NRL fans who have purchased this package. Confirmation of flight times and coach pick-up times will be provided in your travel pack prior to your departure date. If you are not at the coach pick-up location of your hotel at the designated pick-up time, you will need to make your own way to the airport (the bus will not wait for you).

Visas

United States

If you're visiting for less than 90 days, you may be eligible to apply for an Electronic System for Travel Authorization (ESTA) and enter the US under the Visa Waiver Program (VWP). If not, you'll need to get a visa before you travel. Whether you're travelling on a visa or under the VWP, ensure that you understand all relevant terms and conditions before attempting to enter the US. An approved ESTA or valid visa doesn't guarantee entry to the United States. US Customs and Border Protection (CBP) officials at the port of entry will determine your eligibility. For information on ESTA eligibility or to apply, please visit <https://esta.cbp.dhs.gov/esta/>.

Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
