Getting To The Event

Plan your trip in advance to ensure getting to and from Allegiant Stadium is part of the game-day fun.

- Rideshare options are available at Allegiant Stadium. Rideshare pick-up and drop-off is located in Lot N, just north of the stadium.
- Once you are on the Strip, the RTC's Deuce bus runs 24/7 every 15 minutes from 57 stops along Las Vegas Blvd with the closest stop near Hacienda Bridge at Mandalay Bay. A 24-hour pass, priced at \$8 USD, allows you to ride the Deuce to the game, back and anywhere else on the Strip you would like to go. Passes can be purchased on the RTC app.
- A dedicated area west of the Stadium near Diablo and Procyon is available for taxis, shuttles, and general drop-off and pick-up before and after games.
- Single-event or game-day parking passes are available via the SpotHero app and must be purchased in advance.
- If you are driving your own car, allow plenty of time to get to the Stadium, many of the streets in the area will be converted to one-way on game or event days. Vehicles are not permitted to park overnight prior to game day.

Please note: A reminder also that Allegiant Stadium is a cashless stadium. Payment for parking and concessions must be made by debit/credit card or mobile payment.

Gratuities / Tipping

Land

Gratuities are not included in the package price for additional services.

In the United States, it is customary to tip at restaurants, cafes, and diners, as well as for services provided by taxi drivers (excluding Uber), valet attendants, porters, and hotel housekeeping staff. A general guideline is 15%–20% of the total bill at dining venues, while tips for service staff are left to your personal discretion.

Some sit-down restaurants may automatically add a gratuity to your bill—if this occurs, no additional tip is necessary unless you wish to recognise exceptional service.

Gratuities are not included for drivers/guides on optional tours. A tip of \$5 USD per person for each driver/guide is recommended.

Please note: Tipping is always at your discretion. However, it is considered a standard part of income for many service workers in the U.S., and it is not uncommon for staff to request a tip. There is no need to feel uncomfortable in these situations.

- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
