Immerse yourself in a vast, verdant oasis, a sprawling 1.15 square kilometers of meticulously manicured gardens and tranquil moats, a testament to centuries of imperial tradition nestled within the heart of Chiyoda Ward.

The Itinerary

Day 7 Osaka – Nara – Shizuoka Region

This morning, head to Nara to visit Nara Park. This is home to more than a thousand deer which are considered the messengers of the gods. These deer have become a symbol of the city and have been designated national treasure status. Deer crackers are for sale around the park and you'll find some deer have learned to bow to visitors to ask to be fed.

You'll then visit the Todaiji Temple, one of Japan's most famous and historically significant temples and a landmark of Nara. The temple was constructed in 752 as the head temple of all provincial Buddhist temples in Japan.

Afterwards, continue to the Shizuoka Region and check in at the hotel for an evening at leisure after an approximately 350 kilometre travel day.

Overnight: Hotel MyStay Shimizu or similar, Shizuoka Region
Meals included: Breakfast

Day 8 Shizuoka Region – Hakone Sightseeing - Haneda or Narita Area

Today, enjoy a sightseeing tour of Hakone on your way to Tokyo.

Hakone is part of the Fuji-Hakone-Izu National Park, less than 100 kilometers from Tokyo. Famous for hot springs, natural beauty and the view across Lake Ashinoko of nearby Mount Fuji, Hakone is one of the most popular destinations for those looking for a break from the busy city of Tokyo.

First stop in Hakone is Owakudani which is the viewpoint and area around a crater created during the last eruption of Mount Hakone some 3,000 years ago. Today, much of the area is an active volcanic zone where sulfurous fumes, hot springs and hot

rivers can be experienced. Additionally, Owakudani has good views of Mount Fuji on clear days. Eggs cooked in Owakudani's hot spring pools with their shells blackened by the sulfur are on sale at shops in the area if you are interested, and eating one is said to prolong one's life by 7 years.

Afterwards, visit the Hakone Open Air Museum. Situated in the mountains of Hakone, it spreads across 70,000 square meters and has beautiful views of the surrounding mountains. This art museum opened in 1969 and was the very first outdoor gallery in Japan. The defining feature of the Hakone Open Air Museum is the vast array of 120 sculptures spread across the grounds. Including works by sculptors from both Japan and overseas, the many sculptures of this museum invite you to get up close to appreciate what each piece is trying to convey. Because these sculptures are outside, they can create different impressions from season to season.

After leaving Hakone, you will drive back towards Tokyo and check into your hotel accommodation which is conveniently located at Haneda Airport or Narita Airport, depending on your departure airport the following day.

Today you will drive approximately 200 to 300 kilometres, depending on which airport you go to.

While tipping is not mandatory, it is common practice and a gesture of appreciation which is shared amongst the local guides, drivers and other staff members who have serviced your tour. The expected tip is \$10 per person per day, paid in local currency where touring and/or transfer services are provided. Please factor this into your holiday budget, as we know this is going to be an amazing adventure!

Other Important Information

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
