Day 3 Seoul - Day at Leisure

Today is free at leisure to explore Seoul or take part in an optional activity.

Optional Activity: Korean DMZ (Demilitarised Zone) Tour

Nowhere is the tension between North and South Korea more palpable than in the no-man's-land known as the Korean Demilitarised Zone, or DMZ. Located on each side of the 38th parallel, this infamous border was established at the end of the war in 1953 at the signing of Panmunjom's armistice in order to separate North and South Korea.

This morning, you'll head towards the North Korean border where you'll ride the gondola for a bird eye view of the Demilitarised Zone. You'll then visit Dokgae Bridge which symbolises the pains of war and separation. The skywalk experience is divided into the past, present and future. Proceed to Bunker Beat 131, a military underground bunker constructed during the Korean War that's been turned into a unique exhibition space.

Afterwards, you'll head through passport security control and visit the Odusan Unification Observatory (closed every Monday), which is on the South Korean Side of the 38th parallel. After receiving a brief and listening to the precautions, you can watch a 3D film about the war, and then see the North Korean people working in the villages. The tower gives a view of North Korea at a glance and is a special place to experience the division of a nation and the life of North Korean people. Using binoculars, you can see the North Korean territory from the 304 square feet, 500-person capacity observatory.

You will then visit Imjingak Resort which boasts various war-related artefacts as well as the spacious Pyeonghwa Nuri Park. The resort preserves the Freedom Bridge and Imjingang rail bridge from the Korean War to remind people of the past. It also features a memorial hall, memorial monuments, the Bell of Unification Last Train Out, The Bridge of No Return and other recreational areas. Please see current pricing in Important Information.

Please note:

- *This tour requires a minimum of 10 travellers to operate.*
- *You must bring your passport for ID at the DMZ.*
- *Due to many DMZ sites and tours not operating on Mondays, Day 2 and 3 will be swapped should this day fall on Monday.*
- *The tour may be cancelled without notice in case of an emergency military meeting or other critical situation.*

Overnight: Ibis Ambassador Hotel or similar, Insadong, Seoul
Meals included: Breakfast

The Itinerary

Day 4 Seoul - Jeonju

Today, you'll head to the popular village of Jeonju. This is an important tourist centre that's famous for its Korean food and historic traditional buildings. In May 2012, Jeonju was chosen as a Creative City for Gastronomy as part of UNESCO's Creative Cities Network. This honour recognises the city's traditional homecooking (handed down through generations over thousands of years), its active public and private food research, its system for nurturing talented chefs and its hosting of distinctive local food festivals.

First up, you'll visit Hanji Industry Centre. As Korea's first centre specialising in traditional mulberry paper, it has an extensive collection of 3,000 artefacts and a database documenting the long history and superiority of Hanji (Korean paper). Additionally, you will have the opportunity to try make Korean paper with wooden tools and take it home.

Afterwards, you'll take a tour of Jeonju Hanok Village. This is the Korea's largest, and only urban, traditional hanok village. It's best known for its traditional wooden houses, sake museums and food stalls.

Finish the day at the hotel where you can enjoy the remainder of the day at leisure after travelling approximately 190-kilometres. Alternatively, join an optional dinning experience.

Optional Activity: Traditional Jeonju Bibimbap Dinner

Please see current pricing in Important Information.

Overnight: Best Western Plus Jeonju Hotel or similar, Jeonju
Meals included: Breakfast

Day 5 Jeonju - Busan

This morning, you will depart early for Busan.

Upon arrival, your first stop is Yongdusan Park, aptly named for the mountain's resemblance to a dragon's head rising from the sea. Within the park, you'll find the 120-meter-high Busan Tower. For those interested in ascending to the top, tickets are available for direct purchase (approximately $10 USD per person). You'll see breathtaking panoramic views of the city including the surrounding islands and ships scattered across the distant sea.

Afterwards, you'll visit Jagalchi Fish Market, Korea's largest seafood market and a popular must-see destination for visitors in Busan. You'll then head to Haedong Yonggungsa Temple, uniquely situated along the northeastern coastline of Busan. This remarkable attraction provides the rare experience of a beautiful temple by the sea, contrasting with the more common mountain temple locations in Korea.

Following this, you will explore Gamcheon Culture Village, a distinctive community formed by houses built in a terraced style on the foothills of a coastal mountain. You'll find that the village's numerous alleys are vividly adorned with murals and sculptures created by its residents.

Check-in at your hotel and enjoy the remainder of the day at your leisure after an approximately 190-kilometre day.

Overnight: Asti Hotel or similar, Busan
Meals included: Breakfast

Day 6 Busan - Day at Leisure

Today is a free day at leisure to explore the beautiful city of Busan. Alternatively, take part in a full-day Busan city tour.

The Itinerary

Optional Activity: Full-Day Busan Sightseeing tour

This morning, you'll visit the charming coastal village of Huinnyeoul Culture Village, located on the sloping cliff of Yeongdo. In December 2011, the old houses of the area were remodelled and the area was reborn as a unique culture and art village where you can walk through to visit the numerous cafes and galleries while enjoying the sweeping views of Busan and the ocean.

Afterwards, visit Songdo Beach where you'll board the famous cable car to ride over the bay. Enjoy views through the transparent floor of the cable car before stopping at the Sky Harbor Observatory Platform which offers beautiful views of the Songdo Sea. Return to Songdo Beach and take a short walk along the 365-metre-long Songdo Cloud Walk which features sections of clear glass floor that creates the feeling of walking on top of the ocean. You'll then visit the Nurimaru APEC House, built to host the 2005 APEC Summit meeting at the tip of Dongbaek Island which stands near Haeundae Beach. This eye-catching glass building has been one of Busan's symbolic places ever since.

Finally, you'll visit the UN Memorial Cemetery after driving over the 7.4-kilometre Gwangandaegyo Bridge, the longest bi-level bridge over the ocean in Korea. On the way back to the hotel, you'll visit Nampodong International Market. Each alleyway is crowded with stalls and connects to Bupyeong Market, Kkangtong Market and other smaller markets. The market stocks such a wide variety of goods that you can find almost everything you need. Please see current pricing in Important Information.

Please note:

- *A minimum of 10 travellers is required.*
- *No sportswear, revealing clothing or strapless slippers are to be worn at the UN Memorial Cemetery.*
- *Those who want more time at the market will need to make their own way back to the hotel (approximately 10-15 minute taxi).*

Overnight: Asti Hotel or similar, Busan
Meals included: Breakfast

They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour.
