Shopping

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

Iceland

Australian passport holders are not required to obtain a tourist visa for a stay of less than 90 days.

Greenland

Australian passport holders are not required to obtain a tourist visa for a stay of less than 90 days. Please ensure your passport is valid for at least 3 months from your planned date of departure.

EU Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.com.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

United States of America

Australian passport holders must obtain an "ESTA" visa waiver in order to enter or transit in the United States.

Please note: You may be required to obtain a visa if you do not meet the eligibility requirements of the ESTA program. Please see https://esta.cbp.dhs.gov for full eligibility requirements and applications.

Canada

Important Information

If transiting via Canada on the way to the USA, Australian and New Zealand passport holders must apply for an electronic travel authorisation (eTA) before travelling to Canada by air. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new eTA. If you arrive in Canada by train, bus, or boat, you don't need a visa or eTA, but you do need to bring the right travel documents.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules may have changed since Covid-19. Some countries and airlines may require you to obtain an additional visa before arrival. Please check with the nearest embassy, consulate or immigration department of the destination you're entering.*

Please note:

- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
