Your unforgettable adventure includes return international full-service flights, a 15-night Swan Hellenic cruise, 3 nights of hotel accommodation, 44 meals and more.

Want more? Add extra days to your itinerary with Stay Behind in Halifax or Vancouver packages.

Please note: • The northern lights can be difficult to predict therefore we cannot guarantee the lights will appear in locations visited on this itinerary. • It's likely that you will have good chances to observe the northern lights in most destinations, in particular from August 30th in Kangerlussuaq until September 25th in Hebron. • The later in the season and the further north in latitude, the greater the chances to observe the northern lights, subject to weather conditions.
