Gratuities/tipping

Land

Gratuities are not included in the package price for additional services. In the United States, it is customary to tip at restaurants, cafes, and diners, as well as for services provided by taxi drivers (excluding Uber), valet attendants, porters, and hotel housekeeping staff. A general guideline is 15%–20% of the total bill at dining venues, while tips for service staff are left to your personal discretion. Some sit-down restaurants may automatically add a gratuity to your bill—if this occurs, no additional tip is necessary unless you wish to recognise exceptional service.

Please note: Tipping is always at your discretion. However, it is considered a standard part of income for many service workers in the U.S., and it is not uncommon for staff to request a tip. There is no need to feel uncomfortable in these situations.

Other Important Information

CLIMATE & AVERAGE TEMPERATURES

Las Vegas, USA

In Las Vegas, February brings mild winter weather with plenty of sunshine. Expect daytime temperatures around 16–20°C, while evenings can be cooler, dipping to around 5–10°C—a light jacket is a good idea, especially after dark.

New York City, USA

In late February, New York City typically experiences cold winter weather. Average temperatures range from -2°C to 7°C (28°F to 45°F). Snowfall is still possible, though less frequent than in January, and days are gradually getting longer. You can expect a mix of chilly winds, overcast skies, and occasional sunny spells, with the potential for rain or light snow. It's advisable to dress in warm layers, including a coat, scarf, gloves, and waterproof shoes.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes and therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and

are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

Luggage

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle.

OTHER

Mobility

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required

Adventure (and spontaneity) create some of the best travel memories. Bear in mind that your home schedules and timings may not be adhered to on tour - it's all part of the fun!

A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activities. This may include city tours, and the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note:

- *Some areas may be inaccessible to wheelchairs or mobility scooters, with personal walking sticks and other aids required should they be needed. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.*

Important Information

- *It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.*
- *If you have any concerns, please consult your healthcare provider prior to purchase/travel.*
- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Yellow Fever

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival. You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Visas

United States

If you're visiting for less than 90 days, you may be eligible to apply for an Electronic System for Travel Authorization (ESTA) and enter the US under the Visa Waiver Program (VWP). If not, you'll need to get a visa before you travel. Whether you're travelling on a visa or under the VWP, ensure that you understand all relevant terms and conditions before attempting to enter the US.

An approved ESTA or valid visa doesn't guarantee entry to the United States. US Customs and Border Protection (CBP) officials at the port of entry will determine your eligibility. For information on ESTA eligibility or to apply, please visit <https://esta.cbp.dhs.gov/esta/>.

Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
