### Itinerary 2

Agra is where the world comes to marvel at the epitome of love, beauty, and sacrifice: the magnificent Taj Mahal, one of the Seven Wonders of the World. The sheer magic of this monument is so overwhelming that Agra has been immortalised as the 'City of the Taj'. As visitors wander through its narrow, bustling streets, it's easy to imagine the echoes of Mughal emperors past.

During the afternoon, visit Agra Fort, also known as the Red Fort. This impressive fortress is a captivating sight, showcasing an astonishing level of ornamentation and reportedly once housed the legendary Kohinoor diamond. The fort's exquisite artwork is a unique blend of Persian, European, and Indian styles, culminating in a distinctive Shahjahani aesthetic rich in form, expression, and colour. Listed as a UNESCO World Heritage Site, Agra Fort is a vast complex encapsulating centuries of history, innovative architecture, and influential garden design that shaped later buildings and gardens in Delhi.

#### Optional Activity: Visit to Baby Taj and Mehtab Bagh

Enhance your Agra experience with an optional visit to two more of the city's hidden gems. First, head to the landmark mausoleum of Itmad-ud-Daulah, affectionately known as "the Baby Taj." Marvel at this intricately carved marble monument, conceived before the Taj Mahal itself and widely considered the blueprint for its iconic design.

Continue to Mehtab Bagh, the "Moonlight Garden," a beautiful charbagh complex. From here, you can relax and take in the breathtaking sunset views over the Taj Mahal, offering a unique and unforgettable perspective of this world wonder. This optional

tour includes comfortable transfers in an air-conditioned vehicle, the services of an English-speaking guide, and all entrance fees. Please see current pricing in Important Information.

#### **Day 6 Agra**

Today begins with an unforgettable early morning experience visiting the world-famous Taj Mahal, just after sunrise at approximately 06:00, to witness its ethereal beauty in the soft morning light. Alternatively, you could choose to visit at 09:00 after breakfast. Your tour includes entry to the breathtaking central mausoleum.

The undeniable beauty of the Taj Mahal is a breathtaking testament to love, incorporating and expanding upon the design traditions of Persian and earlier Mughal architecture. While previous Mughal buildings were primarily constructed of red sandstone, Emperor Shah Jahan championed the use of exquisite white marble, meticulously inlaid with semi-precious stones. Commissioned by Shah Jahan in 1631 in memory of his beloved wife Mumtaz Mahal, construction of this architectural masterpiece began in 1632, with the principal mausoleum completed by 1643 and the surrounding buildings and gardens finished approximately five years later. Prepare to be utterly mesmerised by this symbol of eternal love.

The remainder of your day in this world-famous city is at leisure to enjoy as you wish, or you may choose to embark on an exciting optional activity.

## Other Important Information

### TOUR GUIDE VS. TOUR LEADER

#### Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

#### Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

*Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour*

*leaders/guides will only be made available when required to enhance the experience of the destination featured.*

## CLIMATE & AVERAGE TEMPERATURES

### North India

Expect three main seasons. The cool, dry period (October to March) brings pleasant temperatures and clear skies – ideal for exploring. From April to June, temperatures rise significantly, heralding the monsoon season (July to September) which brings lush landscapes and refreshing, though sometimes intense, downpours. Each season offers its unique charm, often with fewer crowds outside of peak winter months.

### Thailand

Thailand is warm to hot year-round. The dry season (November to February) is most popular, offering comfortable warmth and abundant sunshine, perfect for beaches and outdoor activities. The hot season (March to May) sees the highest temperatures. The wet season (May/June to October) features short, heavy tropical showers, usually in the afternoons, leaving plenty of dry periods for discovery amidst vibrant green scenery.

### Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

## FLIGHTS

### Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

### Dietary Requests

Meal options and availability differ

between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

### Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

## COACH TOUR

### Meals:

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

*Please note: We will do our best to meet your requests/requirements; however, we cannot guarantee that we will always be able to.*

### Luggage:

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle. The driver will assist with the uploading and unloading of bags from the vehicle.

## OTHER

### Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

### Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might

not be adhered to on tour - it's all part of the fun!

A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. This may include city tours, the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Some areas may be inaccessible to wheelchairs or mobility scooters, with personal walking sticks and other aids required should they be needed. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

*Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.*

*Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.*

### Sightseeing:

*Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).*

### Wildlife

TripADeal cannot guarantee animal sightings. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

### Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not

# Important Information

comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

## Visas

### India

A tourist visa for India is a strict requirement if travelling on an Australian or New Zealand passport. You will be able to start your visa application process once you receive your final travel documentation approximately 6 weeks prior to departure.

### Thailand

From the 1st of May 2025 all Australians will be required to complete the Thailand Digital Arrival Card (TDAC) online prior to arrival. Travellers must register online within three days prior to arriving in Thailand. They can do so via this link: <https://tdac.immigration.go.th/arrival-card/#/home>

Your passport must be valid for more than 6 months before entering Thailand.

#### Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*

- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

## Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
