The Itinerary

Itinerary 1

Day 5 Kochi, Japan

Arrive: 09:00 - Depart: 17:00

Kochi sits on the broad alluvial plain facing Urado Bay. This city in Shikoku takes its name from the great feudal castle that sits at its very heart. Completed in 1611, Kochi Castle was the seat of Yamauchi Kazutoyo, a noted warrior who supported Tokugawa Ieyasu in his successful quest to become Shogun. Tosa Province and Kochi Castle were Yamauchi's reward for faithful service. There is an historical irony here: 250 years later, a Kochi native son - a former low-ranked samurai and now ronin named Sakamoto Ryoma - played a pivotal role in bringing the Tokugawa Shogunate to an end and restoring the Emperor of Japan to political prominence. The prize once awarded for faithful service had become a hotbed of support for the Meiji Restoration.

Kochi is one of the wettest places in Japan - and a frequent target for cyclonic storms or typhoons. Southeast of the city, warm ocean currents washing against the Aki Mountains create a subtropical landscape of hibiscus, palm and ficus at Muroto-Anan Quasi-National Park.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 6 Miyazaki (Aburatsu), Japan

Arrive: 07:00 - Depart: 17:00

Enjoy a day at leisure in Aburatsu, gateway to nearby Miyazaki.

Boasting some of the warmest temperatures in Japan, Miyazaki offers a playground of outdoor activities that take full advantage of its balmy breezes and aquamarine waters. A resort atmosphere

permeates Miyazaki, fragranced by blooms from local botanical gardens. Emerald green golf courses, some of the best surfing in Japan, and a zoo with the largest number of flamingos in captivity in all of Japan add to the festive atmosphere. A Peace Tower, built with stones from throughout Asia anchors the city and Heiwadai Park and is one of the most noted landmarks. With free time you could visit Haniwa Gardens where over 400 replica haniwa (burial statues) make for wonderful photo opportunities, and see Miyazaki's history and culture on display at The Miyazaki Prefectural Museum of Nature and History, located on the same grounds as the picturesque Miyazaki Shrine. For a change of pace, stop into the Miyazaki Science Center where an animatronics "Dr. Cosmo" welcomes you to this hands-on museum. Looking for a little adventure? Try a side trip to Aoshima, a small island just off the coast of Miyazaki City, and enjoy the charming Aoshima Shrine and over 400 species of subtropical plants. The options are endless in Miyazaki to soak up local colour...or just soak up the sun!

Please note:

- Your ship will dock in Aburatsu, approximately 45 kilometres from Miyazaki.
- Charges may apply to the above activities.

The Itinerary

Itinerary 1

Day 10 Osaka (for Kyoto), Japan

Arrive: 08:00 - Depart: 20:00

For centuries, Osaka was Japan's cultural and commercial gateway to Asia - the point of entry both for trade goods and, most importantly, cultural influences that shaped Japanese society. From tea to Zen, from art to science and philosophy, Osaka was Japan's contact with the great East Asian cultures that flourished in China and Korea. The city reached its zenith in the late 16th century, when the great feudal lord Toyotomi Hideyoshi made Osaka his capital. Toyotomi was master of Japan, and an immense administrative and commercial center rapidly developed around Osaka Castle. After Toyotomi's death, the nation's seat of power shifted from Osaka to a sleepy little fishing village called Edo - modern Tokyo. While overshadowed by Tokyo, Osaka remains one of Japan's largest cities and a vital commercial centre.

Modern Osaka is home to monuments from Japan's past including Toyotomi's immense castle and the Sumiyoshi Shrine. The city is also your gateway to Kyoto, Japan's ancient imperial capital and the nation's cultural and spiritual centre.

Itinerary 2

Day 8 Hiroshima, Japan

Arrive: 07:00 - Depart: 17:00

On August 6, 1945, human history was irrevocably altered when the American bomber Enola Gay dropped an atomic bomb on Hiroshima. The bomb was code-named "Little Boy," but its detonation left half the city in ruins and aflame. Today, Hiroshima is a monument not only to the destructive forces harnessed by men but also to the indomitable will of the human spirit to overcome tragedy. At the heart of the city lies Peace Memorial Park and the Atomic Bomb Dome. The gutted walls of the city's old Industry Promotion Hall and the skeletal frame that supported its copper dome, vaporised in the blast, are instantly recognisable symbols of Hiroshima.

Travellers to Hiroshima can discover a more serene note at nearby Miyajima Island. One of the top-three scenic spots of Japan, the island is home to ancient Itsukushima Shrine, a designated National Treasure (charges may apply).

The Itinerary

Itinerary 2

Day 10 Kobe (for Kyoto), Japan

Arrive: 08:00 - Depart: 19:00

Kobe is one of the largest cities in Japan and is the capital city of Hyogo Prefecture on the southern side of the main island of Honshu. Its name comes from "kanbe", an archaic title for supporters of the city's Ikuta Shrine. With a population of about 1.5 million, the city is part of the Keihanshin (Keihanshin) metropolitan area along with Osaka and Kyoto.

The earliest written records regarding the region come from the Nihon Shoki, which describes the founding of the Ikuta Shrine by Empress Jingu in AD 201. For most of its history the area was never a single political entity, even during the Tokugawa Period, when the port was controlled directly by the Tokugawa Shogunate. Kobe did not exist in its current form until its founding in 1889.

Kobe was one of the cities to open for trade with the West following the end of the policy of seclusion and has since been known as a cosmopolitan port city. While the 1995 Great Hanshin Earthquake diminished much of Kobe's prominence as a port city, it remains Japan's fourth busiest container port. The city is the point of origin and namesake of Kobe beef as well as the site of one of Japan's most famous hot spring resorts, Arima Onsen (charges may apply). Kobe is also your gateway to Kyoto, Japan's ancient imperial capital and the nation's cultural and spiritual center.

Please note: Your ship will dock in Kobe, approximately 80 kilometres from Kyoto.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 11 Shimizu (for Mt. Fuji), Japan

Arrive: 13:00 - Depart: 19:00

A mesmerising landscape, a revered cultural history, and Japan's most sacred volcano are just a few delights beckoning you to come and explore this ancient city. While nearby Shizuoka may have a reputation as bustling and modern, its cultural and spiritual side is displayed in the form of ancient and enthralling shrines. Of course, the sacred and snow-capped Mount Fuji may garner the most attention. Towering over the region at approximately 3776 metres above sea level, this active volcano was designated a "place and source of artistic inspiration" by UNESCO and is just one of the many unforgettable adventures Shimizu inspires.

Please note: Your ship will dock at Shimizu Port, approximately 13 kilometres from Shizuoka and around 75 kilometres from Mount Fuji.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 12 Disembark - Yokohama, Japan

Contemporary Tokyo may be the most astonishing city on earth. It's a paradoxical mix of ancient tradition and postmodern culture.

The Itinerary

Itinerary 4

Day 5 Nagasaki, Japan

Arrive: 10:00 - Depart: 19:00

For most travelers, Nagasaki is a symbol of the horror and the inhumanity of war. An estimated 74,000 people perished in 1945 when the city became the second target of a nuclear attack. Today, Nagasaki's Peace Park and Atomic Bomb Museum draw visitors from around the world (charges may apply).

But this beautiful city on Kyushu offers other sights. Often described as the San Francisco of Japan, the city occupies verdant hills surrounded by a deep-water bay. For three centuries, Nagasaki was Japan's sole window on the world. The city is also celebrated as the setting for Puccini's opera "Madame Butterfly."

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 6 Busan, South Korea

Arrive: 07:00 - Depart: 16:00

The second largest city in South Korea, Busan is your gateway to a fascinating land whose culture is a unique amalgam of old and new. Modern high-rise towers dwarf ancient Buddhist temples. The city's bustling business district offers a stark contrast to the serene grounds of Yongdusan Park. In short, Busan is a microcosm of South Korea, a nation whose startling economic success often obscures one of Asia's most sophisticated and venerable cultures.

Busan was the scene of bitter fighting during the Korean War. The United Nations Memorial Cemetery marks the final resting place for the troops from 16 nations who gave their lives during the conflict.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 7 Kanmon Straits, Japan (Scenic Cruising)

Cruising through Kanmon Straits provides an opportunity to experience one of Japan's most incredible waterways. This expansive channel connects Honshu and Kyushu, 2 of Japan's 4 main islands.

Please note: The Kanmon Straits is a scenic cruising destination. The ship will not dock on this day of the itinerary.

The Itinerary

Itinerary 4

Day 8 Hiroshima, Japan

Arrive: 07:00 - Depart: 17:00

On August 6, 1945, human history was irrevocably altered when the American bomber Enola Gay dropped an atomic bomb on Hiroshima. The bomb was code-named "Little Boy," but its detonation left half the city in ruins and aflame. Today, Hiroshima is a monument not only to the destructive forces harnessed by men but also to the indomitable will of the human spirit to overcome tragedy. At the heart of the city lies Peace Memorial Park and the Atomic Bomb Dome. The gutted walls of the city's old Industry Promotion Hall and the skeletal frame that supported its copper dome, vaporised in the blast, are instantly recognisable symbols of Hiroshima.

Travelers to Hiroshima can discover a more serene note at nearby Miyajima Island. One of the top-three scenic spots of Japan, the island is home to ancient Itsukushima Shrine, a designated National Treasure (charges may apply).

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 9 Miyazaki (Aburatsu), Japan

Arrive: 07:00 - Depart: 17:00

Enjoy a day at leisure in Aburatsu, gateway to nearby Miyazaki.

Boasting some of the warmest temperatures in Japan, Miyazaki offers a playground of outdoor activities that take full advantage of its balmy breezes and aquamarine waters. A resort atmosphere permeates Miyazaki, fragrant by blooms from local botanical gardens. Emerald green golf courses, some of the best surfing in

Japan, and a zoo with the largest number of flamingos in captivity in all of Japan add to the festive atmosphere. A Peace Tower, built with stones from throughout Asia anchors the city and Heiwadai Park and is one of the most noted landmarks. With free time you could visit Haniwa Gardens where over 400 replica haniwa (burial statues) make for wonderful photo opportunities, and see Miyazaki's history and culture on display at The Miyazaki Prefectural Museum of Nature and History, located on the same grounds as the picturesque Miyazaki Shrine.

For a change of pace, stop into the Miyazaki Science Center where an animatronics "Dr. Cosmo" welcomes you to this hands-on museum. Looking for a little adventure? Try a side trip to Aoshima, a small island just off the coast of Miyazaki City, and enjoy the charming Aoshima Shrine and over 400 species of subtropical plants. The options are endless in Miyazaki to soak up local color...or just soak up the sun!

Please note:

- *Your ship will dock in Aburatsu, approximately 45 kilometres from Miyazaki.*
- *Charges may apply to the above activities.*

The Itinerary

Itinerary 4

Day 10 Tokushima, Japan

Arrive: 09:00 - Depart: 18:00

Born as a 16th century castle town whose remains now lay scattered near a park and museum, Tokushima is best known for its colorful summer dance festival, the Awa Odori. But it may be Mother Nature who garners the most attention.

Surrounded by approximately 1000 metre tall mountains that hint at the wonders that lie beyond, the city is the perfect gateway to the mesmerizing Naruto whirlpools, the panoramic views from atop Mt. Bisan, and the spectacular gorges and vine bridges of Iya Valley (charges may apply). Whether you're entranced with the ways of the warrior, or under the spell of the extraordinary attractions, Tokushima offers exciting new experiences and unforgettable new adventures.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 11 Shimizu (for Mt. Fuji), Japan

Arrive: 13:00 - Depart: 19:00

A mesmerising landscape, a revered cultural history, and Japan's most sacred volcano are just a few delights beckoning you to come and explore this ancient city. While nearby Shizuoka may have a reputation as bustling and modern, its cultural and spiritual side is displayed in the form of ancient and enthralling shrines. Of course, the sacred and snow-capped Mount Fuji may garner the most attention. Towering over the region at approximately 3776 metres above sea level, this active volcano was designated a "place and source of artistic inspiration" by UNESCO and is just one of the many unforgettable adventures Shimizu inspires.

Please note: Your ship will dock at Shimizu Port, approximately 13 kilometres from Shizuoka and around 75 kilometres from Mount Fuji.

Overnight: Princess Cruises' Diamond Princess

Meals included: Breakfast; Lunch; Dinner

Day 12 Disembark - Yokohama, Japan

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Japan

From May to October, Japan experiences a range of weather conditions, with May and October generally offering the most comfortable temperatures and less rainfall. May sees pleasant highs from 18-25°C across cities like Toba, Kochi, Miyazaki, Nagasaki, Osaka, and Tokyo, with lower humidity. June ushers in the humid rainy season, bringing increased precipitation and temperatures typically ranging from 21-27°C. By September, warm temperatures persist around 21-29°C, but it's also peak typhoon season, particularly in southern and eastern regions, leading to heavy rains and storms. October marks the arrival of cooler, drier autumn weather, with average highs settling between 19-24°C, and a significant reduction in typhoon activity, offering ideal conditions for travel.

Busan, South Korea

Busan, South Korea, experiences distinct seasonal changes during May, June, September, and October. As June progresses, the city transitions into the beginning of the humid rainy season, with temperatures rising to an average of 23-25°C and an increase in rainfall. September remains warm, averaging 25-26°C for highs, but it is also a part of the typhoon season, bringing a higher chance of heavy rain and strong winds. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified.
