Day 7 Juneau, Alaska, USA

Arrive 14:00 - Depart 22:00

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets "as large as beans."

From their discovery came three of the largest gold mines in the world. By the end of World War II, more than \$150 million in gold had been mined. Eventually the mines closed, but the town Joe Juneau founded became the capital of Alaska and the business of gold was replaced by the business of government.

Today Juneau is famous not only for gold and government but also for its breathtakingly beautiful glaciers and stunning views of both water and mountains.

Overnight: Princess Cruises Royal Princess Ship

Meals included: Breakfast; Lunch; Dinner

Day 8 Skagway, Alaska

Arrive 07:00 - Depart 20:00

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Skagway may have boasted the shortest route to the Klondike, but it wasn't the easiest.

Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampedeers. Many a would-be miner perished on the treacherous Chilkoot Trail.

The gold rush was a boon and by 1898, Skagway was Alaska's largest town with a population of about 20,000. Hotels, saloons, dance halls and gambling houses prospered. But when the gold yield dwindled in 1900, so did the population as miners quickly shifted to new finds in Nome.

Today, Skagway has around 1,000 residents. It still retains the flavour of the gold rush era.

The Itinerary

Itinerary 1

Day 9 Glacier Bay National Park (Scenic Cruising), Alaska Scenic Cruising: 06:00 - 14:30

Princess is one of a select few cruise lines permitted to cruise the pristine waters of Glacier Bay National Park, a highlight of your 7-night voyage. Just west of Juneau, this breathtaking national park and preserve boasts some of the world's most spectacular tidewater glaciers, such as Margerie Glacier, which often drops colossal chunks of ice into the sea. Not surprisingly, Glacier Bay National Park and its epic ice giants are part of a UNESCO World Heritage Site comprising Alaska's magnificent park system.

During your scenic cruise, friendly Park Rangers will join the ship to share their knowledge of this amazing place and host a fun Junior Ranger program for kids. They may even be able to help you identify Glacier Bay's abundant wildlife, including humpback whales, sea otters, porpoises, harbor seals, black bears, mountain goats, bald eagles and large colonies of seabirds.

Take in the awe-inspiring scenery as you enjoy an unforgettable day of sailing through this dazzling park, where you'll glide along emerald waters and past calving icebergs, and can breathe in the crisp, fresh air to your heart's content.

Overnight: Princess Cruises Royal Princess Ship
Meals included: Breakfast; Lunch; Dinner

Day 10 Ketchikan, Alaska Arrive 09:00 - Depart 17:00

Ketchikan is known as Alaska's "First City" because it's the first major community travellers come to as they journey north. Located on an island, Ketchikan began life as a Tlingit fishing camp. The name Ketchikan comes from a Tlingit phrase that means "eagle with spread-out wings," a reference to a waterfall near town.

In the early 1900s, when gold was Alaska's claim to fame, fishing and timber industries were established in Ketchikan. The growth of these industries helped make this Inside Passage port Alaska's fourth-largest city.

Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center (entry fees apply). The Haida, Tlingit and Tsimshian are all a part of the city's colourful history.

Ketchikan, with its abundance of salmon, is also a sport-fishing paradise. Sightseers will be impressed with both the scenic town and its surroundings, especially Misty Fjords National Monument (optional shore excursion).

The Itinerary

Day 9 Endicott Arm & Dawes Glacier (Scenic Cruising), Alaska

Scenic Cruising: 05:00 - 09:00 (timing subject to departure date selected)

This narrow fjord is located approximately 80 kilometres southeast of Juneau and is part of the Tracy Arm-Fords Terror Wilderness area. Breathtaking Endicott Arm extends over 48 kilometres long, with nearly one-fifth of its area covered in ice. At the head of the fjord, tidewater glaciers, such as the Dawes Glacier, regularly expel enormous chunks of ice into the waters below in a magnificent process known as calving. During the summer when Princess ships visit, icebergs float along the surface of the glistening water in an array of sizes, from just a few inches up to three stories wide.

Protected within the Tongass National Forest, Endicott Arm is a haven for wildlife. Black and brown bears, deer, wolves, harbor seals, mountain goats and a variety of seabirds have been spotted in the area.

As you glide through the pristine fjord, you'll first pass by a lush forest where a number of beautiful waterfalls cascade down, and then you'll be treated to views of snowcapped mountains and blue-tinged glaciers more spectacular than you could ever imagine.

Please note: 31 July 2026 and 21 August 2026 departures will cruise Endicott Arm & Dawes Glacier between 06:00 and 11:00.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

Shopping

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Visas

Canada

Australian and New Zealand passport holders must apply for an electronic travel authorisation (eTA) before travelling to Canada by air. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically

linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new eTA.

United States

If travelling on an Australian passport, an ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA. For information on ESTA eligibility or to apply, please visit:

<https://esta.cbp.dhs.gov/esta/>

Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
