All Indonesia Arrival Card

As of 1 September 2025 passengers must complete the All Indonesia Arrival Card. This is free of charge and can be completed online within 72 hours of your departure date. This is in addition to the e-VOA and the Bali Tourism Levy.

e-VOA

A tourist visa will be issued upon arrival if staying less than 30 days if travelling on an Australian passport. A visa fee of IDR 500,000 (approximately AUD \$50, subject to change) and it is best to have this amount in cash upon arrival to ensure smooth entry. To avoid the queues at the airport, you can apply in advance (no later than 48 hours prior to travelling to Indonesia). You can apply for an e-Visa on Arrival (e-VOA). Check the e-VOA requirements from Indonesian Immigration before applying.

Bali Tourism Levy

The Bali Provincial Government has introduced a new tourist levy of IDR 150,000 per person to foreign tourists entering Bali. The tourist levy is separate from the e-Visa on Arrival or the Visa on Arrival. Cashless payments can be made online prior to travel or on arrival at designated payment counters at Bali's airport and seaport. Exemption from payment of the levy applies to transit passengers and certain visa holders. See the Bali Provincial Government's official website.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*

- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
