Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not

Important Information

allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Istanbul

- March and April have highs of 20°C and lows of 5°C.
- May to October have highs of 30°C and lows of 13°C.

Canakkale

Canakkale has a Mediterranean climate with hot, dry summers and mild winters. It's known for its pleasant sea breezes, which can help moderate the heat on hot days.

Kusadasi

There are two main seasons in Kusadasi: the cold season and the hot season, which basically correlate with winter and summer in other parts of Europe. The shoulder seasons, autumn and spring, experience weather patterns that are a mix of both the cold and warm seasons.

Pamukkale

Pamukkale has a climate with hot, dry summers and mild winters. It's an inland location, so the temperature can feel different from the coastal cities.

Antalya

Antalya has a classic Mediterranean climate, known for its long, hot, and dry summers.

Cappadocia

Cappadocia has a continental climate, which means it experiences distinct seasons. Be prepared for significant temperature swings between day and night.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

COACH TOUR

Meals:

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

Please note: We will do our best to meet your requests/requirements; however, we cannot guarantee that we will always be able to.

Luggage:

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle. The driver will assist with the uploading and unloading of bags from the vehicle.

OTHER

Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A moderate level of fitness will be required.

Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance

Important Information

requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

A tourist visa is a strict requirement if travelling on an Australian Passport. You will be able to start your eVisa application process once you receive your final travel documentation 4-6 weeks prior to departure.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*

- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
