Dahabiya Nile Cruise (5-Star Sailboat)

Sail into the past and travel the Nile like the pioneering voyagers aboard a traditional twin-masted Dahabiya, which were the preferred modes of Nile transport for 'grand tourists' up to 100 years ago and offered a wonderful opportunity to get off the beaten track in Egypt. For this experience you will sail from Aswan to Luxor for three nights aboard the 5-star Iris Dahabiya (subject to availability).

With a maximum of 17 cabins, this Dahabiya Nile cruise offers the romance of the past with modern luxurious comfort and convenience. It's surely the best way to explore the narrower parts of the Nile to enjoy superb sightseeing, delicious traditional meals and attentive personal service. During your immersive Dahabiya cruise you'll visit small islands, local villages and archaeological sites that are often missed by the larger Nile cruises. Life onboard a Dahabiya Nile cruise is a peaceful and idyllic experience. You can lie in a deck chair, read a book or watch children playing and women doing their washing. Meals are freshly prepared on board and served on the sundeck, in the dining room or on a beautiful spot on the banks of the Nile. There's nothing better than an evening dining under a twinkling night sky by the light of a campfire. You are far away from the fancy-dress parties of the large cruisers. You'll find no flashing disco's here, but it might be possible to attend a show by local musicians under the stars.

The Dahabiya Iris also provides a range of activities, including swimming, cooking sessions, kayaking, yoga, and even some

Tour Leader

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader.
