CANADA ● ICELAND ● NORWAY

## The Offer

Prepare for an epic 27-day voyage to the stunning Arctic frontier of Norway, visiting Canada's spectacular landscapes, the unique French charm of Saint Pierre & Miquelon, the Norse sagas of Greenland and the volcanic wonders of Iceland.

The adventure begins with a journey to Canada's Halifax, Nova Scotia, for a two-night stay, exploring its deep-rooted seafaring past, from the historic Citadel to the sombre Titanic grave sites.

Next, board the luxurious SH Vega, a state of the art, PC5 ice-class expedition ship designed with elegant Scandi-design for immersive cruising. The first cruise leg sets sail for the French outpost of Saint-Pierre before docking at St. John's, Newfoundland, where colourful row houses echo a rich cod fishing history.

The cruise continues to St Anthony, the Arctic gateway famous for "Iceberg Alley," before the North Atlantic crossing towards the spectacular wilderness of Greenland. Delve into the UNESCO-listed Kujataa region, with stops at

Narsarsuaq and Qassiarsuk, home to Erik the Red's 10th-century Viking estate, alongside the colonial charm of Qaqortoq.

A stop in Reykjavik, Iceland, allows for exploration of this diminutive but dramatic capital before the second phenomenal voyage begins. The ship sails to the majestic Dynjandi Waterfall and the bustling fishing town of Isafjordur. A visit to Griimsey Island provides the thrill of stepping into the Arctic Circle, complemented by the wildlife of Hrisey Island and the whale-watching hub of Husavik.

The final leg journeys to the breathtaking landscapes of Norway. Explore Bodo, known for its Sami heritage, witness the sheer power of the Svartisen Glacier. Discover the stunning Lofoten islands, where red fishermen's cabins are nestled amid dramatic granite peaks in Vaeroy and Reine. A spectacular scenic cruise through the narrow Trollfjorden precedes arrival in the Arctic gateway of Tromso for a final overnight before the journey home.

### The Itinerary

#### Day 14 Disembark Reykjavik, Iceland - Embark SH 'Vega'

Disembark: 08:00 - Depart: 18:00

After breakfast this morning please disembark and enjoy the day at leisure in Reykjavik before returning at the appropriate time to re-embark your second voyage through to Tromso.

Make sure there is sufficient time to explore this diminutive but dramatic capital city. Despite its small size, you won't be short of things to see and do. To get your bearings, take the elevator to the top of Hallgrímskirkja. This church, designed by famed Icelandic architect Guðjón Samuelsson is one of the most distinctive buildings in town. You could also visit the city's other renowned building, the Harpa Concert Hall, located at the heart of Reykjavik's regenerated harbour – also the home of the Maritime Museum. Speaking of cultural spaces, you could visit the National Museum to learn the story of Iceland from past to present. The Reykjavík Art Museum houses an impressive contemporary collection including eye-catching pieces by Erro. And, of course, just 50 kilometres outside the city lies Thingvellir National Park, the site of Iceland's original Viking parliament.

While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

### Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

### Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

# Important Information

A moderate level of fitness will be required.

Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

*Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.*

*Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.*

## Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival. You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

## Sightseeing:

*Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may*

*be adjusted, or a similar activity will be offered in its place (subject to availability).*

## Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

## Visas

### Canada

Australian and New Zealand passport holders must apply for an electronic travel authorisation (eTA) before travelling to Canada by air. An Electronic Travel Authorization (eTA) is an entry requirement for visa-exempt foreign nationals travelling to Canada by air. An eTA is electronically linked to a traveller's passport. It is valid for up to five years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new eTA.

### United States

If travelling on an Australian passport, an ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA.

For information on ESTA eligibility or to apply, please visit: <https://esta.cbp.dhs.gov/esta/>

*Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection.*

### Greenland

A tourist visa is not required for Greenland for stays up to 90 days if travelling on an Australian passport.

## Schengen Area (Including Iceland & Norway)

Australian passport holders are visa exempt for an accumulative total stay of 90 days per 180 calendar days. The traveller must hold a passport valid at least six months on entry with two blank visa pages.

## Eu Entry/exit System (ees)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travelers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

## European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor [smartraveller.com.au](http://smartraveller.com.au) closer to your departure to ensure you are up to date on the requirements at the time of entry.

### Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*

  - *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
  - *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
  - *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
- If the incorrect name has been provided, charges of \$100 per booking and any additional charges applied by the airline/ cruise company/accommodation/other travel providers.

## Supplier Fees

In the event the tour package you have purchased is unable to proceed, and/or a Travel Supplier is unable to fulfil the tour due to external circumstances (Limitation of Liability e.g. a Force Majeure event), there may be a fee or amount of money that is withheld by our Suppliers and is unrecoverable. This may be due to non-refundable airline tickets, cancellation penalties with cruise cabins or unrecoverable payments with our land/accommodation partners. If refunds are not available from Suppliers, we will endeavour to obtain a travel credit on the best terms available and communicate these outcomes to you. In the event we are unable to obtain a refund or travel service credit, or part thereof, this cost is passed on to the customer as a Supplier Fee.

## Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
