Over the millennia, this harbour city was conquered many times over by the Romans, the Byzantines, the Venetians, and the Turks. Chania remains crisscrossed with Ottoman architecture and historic Venetian mansions, many of which have been transformed into quaint shops, inviting cafes, and boutique hotels. Day 13 Santorini, Greece Arrive: 07:00 - Depart: 22:00

Here on the island of Santorini, you'll find a classic Greek seascape—whitewashed houses accented by sea-blue roofs. This is a treasure trove for both professional and amateur archaeology buffs, with sites that include tombs dating back to the 9th century and the sanctuary of Apollo. In many ways, Santorini could be considered an explosive place, being that its terraced collection of homes and windmills lie on a caldera-- a huge basin formed by an erupting volcano. The island's volcanic past has also produced delicious grapes for excellent wines that are well worth investigating while on your Santorini cruise. Some of the best on the island can be found in Pyrgos, Megalochori, and Oia. Oia's hilltop not only has the ancient, Minoan site of Akrotiri, but is quite possibly the best vantage point from which to witness the spectacular sunsets. And, if you have some time, take a short trip to the island of Nea Kameni for a dip in its famous hot springs. The warm dark waters are enriched with iron and manganese and considered therapeutic.

Please note: This port is accessed by tender boats. Boarding and disembarking tender boats may involve steps and uneven surfaces. While cruise lines strive to provide ease of access, accessibility options can vary at different tender ports.

Passengers with mobility concerns are encouraged to inquire about specific arrangements and consider their individual needs when participating in tendering activities.

The UNESCO World Heritage ruins of Ephesus impress even those familiar with the world's other ancient cities. Though excavations have been underway for 150 years, only 20 per cent of the city has been uncovered. This former Greek banking and trading centre is rich with historic sites, including the Great Theatre, the Temple of Hadrian, and the Temple of Artemis, one of the Seven Wonders of the Ancient World. On your Europe cruise, check out the Celsus Library — built in 117 A.D.— made up of towering columns highlighted by the statue of the goddess of wisdom.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Important Information

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

September is an ideal time, offering a return to delightful late-summer warmth 24°C to 28°C highs) with cooler evenings.

Greece

Türkiye

There is a clear split between the coast and Istanbul. The coastal resort of Kuşadası is warm in May (25°C high) and very hot in June-August (29°C to 32°C+ highs). FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly

with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. This may include city tours, the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note: Some areas may be inaccessible to wheelchairs or mobility scooters, with personal walking sticks and other aids required should they be needed. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

Visas

Europe (Schengen Visa Countries)

A tourist visa is not required for Europe for stays up to 90 days if travelling on an Australian passport.

Eu Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaces the current manual passport-stamping process for non-EU travelers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced from 2025, [ETIAS travel authorisation](#) is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor [smartraveller.com.au](#) closer to your departure to ensure you are up to date on the requirements at the time of entry.

Türkiye

According to the Law on Foreigners and International Protection which entered into force on 11th April 2014, those foreigners who arrive at sea ports and intend to visit the seaport city or nearby provinces for touristic purpose are exempt from visa provided that their stay does not exceed 72 hours.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
