Want more? Add extra days to your itinerary with Arrive Early and Stay Behind in Tokyo, Japan.

Please note: The Cherry Blossom Season can be difficult to predict. Every year is different and there are variations across the country. What's more, there are multiple sakura varieties, each coming into flower at a slightly different time and lasting for a different period (most stay for around two weeks). Therefore we cannot guarantee the trees will be blooming in locations visited on this itinerary. To increase the likelihood of cherry blossom viewings, we recommend booking dates later in March.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.
