10-DAY TOUR PACKAGE | HIGHLIGHTS OF SOUTH AFRICA 2027 FOR 2

The Itinerary

Day 1 Australia (or New Zealand) - Johannesburg, South Africa

Today, depart for Johannesburg, South Africa! Upon arrival in Johannesburg, be met by a representative and transferred to the hotel.

Please note: Due to flight scheduling and availability, some departures may occur on Day 0 and arrive day 1. Affected customers must be at the airport the day before. Flight times will be indicated on your final documentation, which you will receive prior to departure.

Day 2 Johannesburg - Lowveld - Kruger National Park - Afternoon Game Drive

This morning, be transferred to your luxury tented lodge near Kruger National Park (approximately 364 km).

In the afternoon, enjoy an open-vehicle game drive in Kruger National Park. It's approximately a 50-minute drive to reach the gate from the lodge. Even though wildlife tends to rest in the midday heat, the advantage of an afternoon safari is that the guides will have information about earlier sightings and where they took place, so they can try to find the most exciting wildlife for you to experience first-hand.

Keep your eyes peeled for the Big 5, including lions, leopards, rhinos, elephants and buffaloes. Watering holes are also a popular spot during this time as many animals will be looking to cool down, and nothing is more pleasing than watching elephants

play around in a river. Your guide will ensure an exciting safari, filled with facts about the animals and birds in the Park and the plant life for those interested in the lush vegetation and age-old trees. The later the day gets and closer to closing time in the Park, the better the chances of sightings, as the animals become more active as the heat dissipates.

Please bring sun cream, a hat, sunglasses, comfortable shoes, warm clothing in the winter months and a rain jacket in the summer months.

Afterwards, return in time to freshen up and enjoy a delicious dinner at your lodge.

Ndhula Luxury Tented Lodge

Ndhula Luxury Tented Lodge is ideally situated in the Mpumalanga Lowveld region of South Africa, boasting incredible views over the mountains, the bushveld and the surrounding valleys. The north and east-facing accommodation offers beautiful South African sunrises. The luxury safari tents are on large, raised 50 square-metre wooden decks, boasting stunning views over the bushveld and valleys.

All the safari-style tents are air conditioned, feature double or twin-sized bedding, a full ensuite bathroom with shower and are equipped with tea/coffee-making facilities, hairdryer, mini-bar fridge (stocked on request) and electric blankets. Ndhula Luxury Tented Lodge offers a delicious dining experience with the most amazing views of the Mpumalanga Lowveld. The talented chefs

An enormous wooden deck steps down into a large infinity pool, providing one-of-a-kind views of the Lowveld's rolling hills and valleys. Furnished with modern ethnic decor, the open-air lounge offers the perfect spot to complement the scenery with a sunrise coffee or sundowner cocktail.

The luxury safari tents blend gently into the natural setting on the hillside, creating a peaceful and romantic atmosphere. Pitched atop a 45 square-metre wooden deck, the twelve permanent safari-style tents offer breathtaking views over the bushveld. Roll up the side panels of your tents and fall asleep to an African breeze that carries with it the calming sounds and smells of nature. All the air-conditioned tents feature king-sized beds, an ensuite bathroom with a shower, and a mini-bar (stocked on request) with tea and coffee-making facilities.

CLIMATE & AVERAGE TEMPERATURES

Johannesburg Area

Johannesburg is situated on the highveld plateau and has a subtropical highland climate. The city enjoys a sunny climate, with the summer months (October to April) characterised by hot days followed by afternoon thundershowers and cool evenings, and the winter months (May to September) by dry, sunny days followed by cold nights. Temperatures in Johannesburg are usually fairly mild due to the city's high elevation, with an average maximum daytime temperature in January of 25.6°C, dropping to an average maximum of around 16°C in June. The UV index for Johannesburg in summers is extreme, often reaching 14-16 due to the high elevation and proximity to the equator.

Cape Town

Cape Town has a Mediterranean-style climate: wet and cool winters, and dry and warm summers. The annual average temperature in Cape Town is a delightful

17°C.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

COACH TOUR

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

OTHER

Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A moderate level of fitness will be required. Moderate may involve more physical activity, including biking, longer day hikes or extended walking and standing, low-altitude treks, and water-based activities such as canoeing or low-grade kayaking. Guests using any walking aid other than a walking stick would be advised to reconsider as surfaces may be uneven.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival.

You must check with your doctor well before leaving home about the Yellow

Important Information

Fever requirements for the countries you'll be visiting.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Animal Sightings:

TripADeal cannot guarantee animal sightings. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

Visas

A tourist visa is not required for Australians travelling to South Africa.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*

- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
