Day 6 Hakodate, Japan

Arrive: 07:00 - Depart: 16:00

In 1859, the port of Hakodate became the first Japanese city fully opened to Westerners under the Treaty of Amity and Commerce. Foreigners soon flocked to Hakodate, and today visitors wandering the cobblestone streets of the city's Motomachi District can view their Western-style frame houses. Hakodate, once a fishing port famed for its high quality fish and shellfish, quickly became Hokkaido's largest city and one of Japan's most important ports. The Great Hakodate Fire of 1934 dealt the city a near fatal blow that Hakodate was slow to recover.

Today the city is Hokkaido's third largest - surpassed by Sapporo and Asahikawa - but retains its foremost position as the finest Japanese producer of sushi's high quality raw seafood caught in Hokkaido's cold waters. While Tokyo's Tsukiji's Fish Market is much larger, Hakodate's four-block-long Morning Market offers a stunning array of fresh fish and shellfish prized for sushi including salmon roe, sea urchin, scallops and crab. Restaurants and food stands prepare a wide arrange of dishes including domburi topped with fresh seafood.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 7 Niigata, Japan

Arrive: 09:00 - Depart: 18:00

Traditionally famous for rice making and sake production, Niigata is the place for gourmet aficionados. It is also well known for the seafood caught from the Sea of Japan. Historically, Niigata developed from the wealth gained through shipping and trade by Kitamae-bune, cargo ships operated along the Sea of Japan between Hokkaido and Osaka from mid-18th century to the end of the 19th century. To the south of Niigata is the Tsubame-Sanjo area famous today for metalworking. This derives from the production of Japanese nails used for Japanese traditional architecture.

To discover Japanese craftsmanship, you will have the chance to visit the Suwada Open Factory. Also nearby is the religious centre of Niigata in Yahiko. The Yahiko Shrine has gathered the devotion of the locals for more than a millennium. (Optional shore excursions can be booked with Princess Cruises, charges apply)

The Itinerary

Itinerary 1

Day 9 Busan, South Korea

Arrive: 07:00 - Depart: 16:00

The second largest city in South Korea, Busan is your gateway to a fascinating land whose culture is a unique amalgam of old and new. Modern high-rise towers dwarf ancient Buddhist temples. The city's bustling business district offers a stark contrast to the serene grounds of Yongdusan Park. In short, Busan is a microcosm of South Korea, a nation whose startling economic success often obscures one of Asia's most sophisticated and venerable cultures.

Busan was also the scene of bitter fighting during the Korean War, and the United Nations Memorial Cemetery marks the final resting place for the troops from 16 nations who gave their lives during the conflict.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 10 Nagasaki, Japan

Arrive: 07:00 - Depart: 16:00

For most travellers, Nagasaki is a symbol of the horror and the inhumanity of war. An estimated 74,000 people perished in 1945 when the city became the second target of a nuclear attack. Today, Nagasaki's Peace Park and Atomic Bomb Museum draw visitors from around the world (charges may apply).

But this beautiful city on Kyushu offers other sights. Often described as the San Francisco of Japan, the city occupies verdant hills surrounded by a deep-water bay. For over two centuries, Nagasaki was Japan's sole window on the world. The city is also celebrated as the setting for Puccini's opera "Madame Butterfly."

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 11 Kagoshima, Japan

Arrive: 07:00 - Depart:16:00

From the 12th century to the Meiji Restoration of 1868, Kagoshima was the chief stronghold of the mighty Shimazu clan. The city lies at the top of the Satsuma Peninsula, a mountainous, geothermal wonderland of hot springs and geysers. The area is also rich in modern Japanese history: Saigo Takamori and the Satsuma samurai were leaders of the Meiji Restoration that toppled the shogun and restored the Emperor to power in 1868. In 1877, dissatisfied with the direction of the new government, Saigo led the Satsuma Rebellion, which ended in his death and the final defeat of the samurai.

The symbol of Kagoshima is Sakura Jima - the volcanic island that sits just offshore. The volcano has erupted over 30 times in recorded history.

The Itinerary

Itinerary 1

Day 12 Kochi, Japan
Arrive: 09:00 - Depart: 17:00

Kochi sits on the broad alluvial plain facing Urado Bay. This city in Shikoku takes its name from the great feudal castle that sits at its very heart. Completed in 1611, Kochi Castle was the seat of Yamauchi Kazutoyo, a noted warrior who supported Tokugawa Ieyasu in his successful quest to become Shogun. Tosa Province and Kochi Castle were Yamauchi's reward for faithful service. There is an historical irony here: 250 years later, a Kochi native son - a former low-ranked samurai and now ronin named Sakamoto Ryoma - played a pivotal role in bringing the Tokugawa Shogunate to an end and restoring the Emperor of Japan to political prominence. The prize once awarded for faithful service had become a hotbed of support for the Meiji Restoration.

Kochi is one of the wettest places in Japan - and a frequent target for cyclonic storms or typhoons. Southeast of the city, warm oceans currents washing against the Aki Mountains create a subtropical landscape of hibiscus, palm and ficus at Muroto-Anan Quasi-National Park.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 13 Shimizu (for Mount Fuji), Japan
Arrive: 13:00 - Depart: 19:00

A mesmerising landscape, a revered cultural history, and Japan's most sacred volcano are just a few delights beckoning you to come and explore this ancient city. While nearby Shizuoka may have a reputation as bustling and modern, its cultural and spiritual side is displayed in the form of ancient and enthralling shrines. Of course, the sacred and snow-capped Mount Fuji may garner the most attention. Towering over the region at approximately 3776 metres above sea level, this active volcano was designated a "place and source of artistic inspiration" by UNESCO and is just one of the many unforgettable adventures Shimizu inspires.

Please note: Your ship will dock at Shimizu Port, approximately 13 kilometres from Shizuoka and around 75 kilometres from Mount Fuji's primary viewing stations, optional shore excursions can be booked with Princess Cruises at an additional cost.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 14 Tokyo (Yokohama), Japan - Australia (or New Zealand)
Arrive: 06:30

This morning you will arrive back into Tokyo (Yokohama). Enjoy your final breakfast on board as your ship arrives into Port. After disembarkation, make your own way to the airport in time for check in.

Day 5 Toba, Japan

Arrive: 07:00 - Depart: 16:00

Toba, located at the northeastern end of the Shima-hanto Peninsula in Mie, flourished as the castle town of the Kuki family who ruled this region from the 16th century. It was also a landing spot for visitors on the sea route to Ise-jingu Shrine and belongs to Ise-Shima National Park.

Please note: This port is accessed by tender boats. Boarding and disembarking tender boats may involve steps and uneven surfaces. While cruise lines strive to provide ease of access, accessibility options can vary at different tender ports. Passengers with mobility concerns are encouraged to inquire about specific arrangements and consider their individual needs when participating in tendering activities.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 6 Osaka (for Kyoto), Japan

Arrive: 08:00 - Depart: 20:00

For centuries, Osaka was Japan's cultural and commercial gateway to Asia, the point of entry both for trade goods and, most importantly, cultural influences that shaped Japanese society. From tea to Zen, from art to science and philosophy, Osaka was Japan's contact with the great East Asian cultures that flourished in China and Korea. The city reached its zenith in the late 16th century, when the great feudal lord Toyotomi Hideyoshi made Osaka his capital. Toyotomi was master of Japan, and an immense administrative and commercial centre rapidly developed around Osaka Castle.

After Toyotomi's death, the nation's seat of power shifted from Osaka to a sleepy little fishing village called Edo, modern Tokyo. While overshadowed by Tokyo, Osaka remains one of Japan's largest cities and a vital commercial centre. Modern Osaka is home to monuments from Japan's past including Toyotomi's immense castle and the Sumiyoshi Shrine. The city is also your gateway to Kyoto, Japan's ancient imperial capital and the nation's cultural and spiritual centre.

Please note: Your ship will dock in Osaka, approximately 60 kilometres from Kyoto.

Day 8 Hiroshima, Japan

Arrive: 09:00 - Depart: 19:00

On August 6, 1945, human history was irrevocably altered when the American bomber Enola Gay dropped an atomic bomb on Hiroshima. The bomb was code-named ""Little Boy,"" but its detonation left half the city in ruins and aflame. Today, Hiroshima is a monument not only to the destructive forces harnessed by men but also to the indomitable will of the human spirit to overcome tragedy.

At the heart of the city lies Peace Memorial Park and the Atomic Bomb Dome. The gutted walls of the city's old Industry Promotion Hall and the skeletal frame that supported its copper dome, vaporized in the blast, are instantly recognizable symbols of Hiroshima. Travellers to Hiroshima will discover a more serene note at nearby Miyajima Island. One of the top-three scenic spots of Japan, the island is home to ancient Itsukushima Shrine, a designated National Treasure.

Overnight: Princess Cruises' Diamond Princess
Meals included: Breakfast; Lunch; Dinner

Day 9 Kanmon Strait, Japan (Scenic Cruising)

The Kanmon Strait, also known as the Straits of Shimonoseki, is a narrow body of water in Japan. The strait separates Honshu, the main island, from Kyushu, the southernmost of Japan's major islands.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Japan

During the transition from summer to autumn, Japan's weather varies significantly by latitude: Tokyo, Niigata, and Shimizu experience peak heat and high humidity in July and August (highs of 29–32°C), followed by a rainy, typhoon-prone September (23–27°C) and a pleasant, crisper October (18–22°C). In the south, Nagasaki, Kagoshima, and Kochi are consistently hotter and more tropical, with August highs frequently reaching 33°C and remaining warm well into October (highs around 23–25°C). Conversely, Hakodate in the north offers a much cooler retreat, with mild July and August temperatures peaking at only 23–25°C, dropping rapidly to a cool 15–16°C by October. Across all regions except Hokkaido, the "Tsuyu" rainy season typically ends in mid-July, making August the sunniest but most oppressive month, while September carries the highest risk of tropical storms before the clear, mild "golden" days of autumn arrive

Important Information

in October.

Busan, South Korea

Busan's weather during these months closely mirrors the patterns of Japan's southern coastal cities like Nagasaki and Kochi. In July and August, the city experiences its peak heat and humidity, with average highs ranging from 28°C to 30°C and frequent "tropical nights" where temperatures rarely dip below 23°C. This period also marks the height of the monsoon season, making July the wettest month of the year with significant rainfall. As the season shifts into September, the intense humidity begins to break, though average highs remain warm at around 26°C and the risk of typhoons remains present. By October, Busan enters its most comfortable period; the air becomes much drier and crisper, with pleasant daytime highs of 22°C and cool evenings averaging 13°C, offering ideal conditions for outdoor activities and viewing the early autumn foliage.

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Yellow Fever:

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.
