Itinerary 2

Day 16 Cape Town - Stellenbosch

This morning transfer to the nearby town of Stellenbosch where you will spend the next two nights in your quality guesthouse accommodation.

Check in will be available from 14:00 onwards and luggage storage will be available until check-in. The remainder of the day is free at leisure. Stellenbosch is a university town in South Africa's Western Cape province. It's surrounded by the vineyards of the Cape Winelands and the mountainous nature reserves of Jonkershoek and Simonsberg. The town's oak-shaded streets are lined with cafes, boutiques and art galleries. Cape Dutch architecture gives a sense of South Africa's Dutch colonial history, as do the Village Museum's period houses and gardens. CLIMATE & AVERAGE TEMPERATURES

Johannesburg Area

Johannesburg is situated on the highveld plateau and has a subtropical highland climate. The city enjoys a sunny climate, with the summer months (October to April) characterised by hot days followed by afternoon thundershowers and cool evenings, and the winter months (May to September) by dry, sunny days followed by cold nights. Temperatures in Johannesburg are usually fairly mild due to the city's high elevation, with an average maximum daytime temperature in January of 25.6°C, dropping to an average maximum of around 16°C in June. The UV index for Johannesburg in summers is extreme, often reaching 14-16 due to the high elevation and proximity to the equator.

Cape Town

Cape Town has a Mediterranean-style climate: wet and cool winters, dry and warm summers. The annual average temperature in Cape Town is a delightful 17°C.

Victoria Falls

In the area of Victoria Falls, the climate is sub-tropical, with a mild and dry winter from mid-May to mid-August (during which, however, nights are cold), and a hot,

muggy and rainy summer from mid-November to mid-March. The rains occur in the form of downpours or thunderstorms. Between September and November, before the rainy season, there is a hot period, which is in fact the hottest of the year, with temperatures easily reaching 35°C, and sometimes up to 40°C, even though the humidity is not as high as in summer. October is the hottest month of the year. On the contrary, in winter, when during the day the weather is nice, the temperature at night may approach freezing (0°C).

Please note: The amount of water at Victoria Falls (waterfall) will depend on the seasonality.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport

details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

COACH TOUR

Meals:

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

Please note: We will do our best to meet your requests/requirements; however, we cannot guarantee that we will always be able to.

Luggage:

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle. The driver will assist with the uploading and unloading of bags from the vehicle.

OTHER

Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A moderate level of fitness will be required.

Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be

Important Information

responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival.

You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Wildlife sighting:

TripADeal cannot guarantee animal sightings on tour. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

A tourist visa is a strict requirement when travelling to Zimbabwe on an Australian or New Zealand Passport. Visa options, including Single Entry, Double Entry, and the KAZA Uni-Visa, are available for purchase either online prior to departure or upon arrival at the port of entry (Visa On Arrival - VOA). All visa fees are payable in US Dollars cash (Please bring the exact amount in USD cash). Travellers must consult their full itinerary to determine the correct visa type required, as border

crossings or overnight stays in neighbouring countries will affect the validity of a Single Entry, Double Entry or KAZA Uni-Visa.

New Zimbabwe Immigration Requirements

To streamline and speed up the immigration process on arrival, the Zimbabwe Immigration Department has implemented an online immigration declaration form that must be completed by all travellers prior to arriving at any Zimbabwean border post, including Victoria Falls Airport. This new online process replaces the manual immigration declaration form and is aimed at improving the guest experience at border control. Travellers should complete the online arrival form at the official e-visa site or scan provided QR codes at airports. If travellers can't fill it out beforehand, there are fallback options: Completing it on arrival via your own device (if there is Wi-Fi)

Using devices provided by immigration at the point of entry

Please note: Manual paper forms have been phased out at major ports. While fallback kiosks and Wi-Fi are available at the airport for those unable to complete the form in advance, this can result in significant processing delays. We strongly recommend completing the declaration and saving a digital screenshot or printed copy of the confirmation before departure.

Important:

- Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.
- Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.

Important Information

- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
