Day 16 Limassol - Troodos Mountains - Omodos Village

Today the day starts with a visit to a local winery in the Omodos village. The pretty, wine producing village of Omodos sits at an altitude of 810 metres on the Troodos Mountains range, in the beautiful area of 'Krassohoria'. Famous for its wine, Zivania spirit, handmade narrow-knit lacing and 'arkatena' bread, its quaint environs are perfect for agritourism. Despite its small size, Omodos has many interesting sights. Located within proximity of one another, are the cobbled square, old stone-built houses, local wineries, a Medieval wine press and the monastery of Timios Stavros (Holy Cross), with its old icons and impressive woodcarvings. Continue with a stop at Troodos Square.

There are shops and markets selling traditional Cypriot products such as soutzoukos, commandaria wine, Cypriot rusks and different varieties of honey-coated nuts which are highly popular in Troodos. We continue with Kakopetria Village. Kakopetria village is located on the foothill of the Troodos Mountain. The community has about 1300 permanent inhabitants. It is full of vegetation, amidst the banks of the Kargotis and Garillis rivers. The two rivers join inside the village and form the river Klarios, which crosses the valley of Solea and then flows into the Morfou Bay, in Pentagia. Continue to Choirokoitia, UNESCO heritage site. The Neolithic settlement of Choirokoitia, occupied from the 7th to the 4th millennium B.C., is one of the most important prehistoric sites in the eastern Mediterranean. Its remains and the finds from the excavations there have thrown much light on the evolution of human society in this key region. Since only part of the site has been excavated, it forms an exceptional archaeological reserve for future study.

Your tour continues with Hala Sultan Tekke or the Mosque of Umm Haram, a Muslim shrine on the west bank of Larnaca Salt Lake, near Larnaca, the next stop will be Larnaca town. Phinikoudes Beach is situated in the centre of the coastal promenade in Larnaca and was named after the small palm trees (phinikoudes) which were planted there in 1922 and which nowadays have grown into big trees. The palm trees are spread throughout the main road and contribute to the already beautiful scenery. The area is very popular for its cafes, bars, restaurants and is in front of the main shopping centre of Larnaca. Then, visit St. Lazaros church. Located in its own square in the town centre, the magnificent stone church of Agios Lazaros is one of the most remarkable examples of Byzantine architecture in Cyprus and lies over the tomb of the saint.

Day 18 Limassol - Nicosia Guided Tour

Lefkosia or Nicosia (English name) Nicosia is the largest city on the island of Cyprus. It is located near the centre of the Mesaoria plain, on the banks of the river Pedieos. Nicosia is the capital and seat of the government of Cyprus, it is the only divided city left in the world today since part of the city has been under Turkish occupation since 1974. First stop will be Cyprus Handicraft centre. The Cyprus Handicraft Centre is an outlet for producing and selling traditional folk art and crafts. Visitors can see the artisans engaged in the traditional crafts at the workshops, such as embroidery and lace making, tapestry, weaving, basketry, woodcarving, pottery, metalwork (copperware and silver), leather and garment making.

Continue along the Green Line, the capital's dividing board line. Passing by the newly restored Famagusta Gate, we proceed to the Archbishops Palace and St. John's Cathedral. The tour continues to the picturesque Old Quarter of "Laiki Yitonia" where you will have time to stroll around the historical city and visit the borders. To walk through the old city is to step backwards in time. Narrow streets and old houses with ornate balconies jut from weather-beaten sandstone walls, smelling of jasmine flowers in those long summer evenings, and craftsmen in small workshops plying their trades unchanged for centuries. In the late afternoon return to Limassol.

Overnight: Poseidonia Beach Hotel or similar, Limassol

Meals included: Breakfast; Dinner

Day 19 Limassol - Curium - Aphrodite's Rock - Paphos Town

Today pass-through Limassol town (seaside road) and after through the wine growing region around Limassol and through the fragrant citrus plantations lemons, oranges, and grapefruits, the rugged coastline reveals the ruins of Curium, a city built in 1200 BC with its huge amphitheatre overlooking the bay of Akrotiri. Passing through the sovereign base of Episkopi, look down upon the most famous landmark in Cyprus - "Aphrodite's Rock", the birthplace of the Goddess of Love & Beauty. It is located off the shore along the main road from Paphos to Limassol. The combination of the beauty of the area and its status in mythology as the birthplace of Aphrodite makes it a popular tourist location.

Continue with Paphos town. Paphos is a city on the southwest coast of the Mediterranean island of Cyprus. Inhabited since Neolithic times, it has several sites relating to the cult of goddess Aphrodite, whose mythical birthplace was at Old Paphos (Kouklia). In Paphos, visit St. Paul's Pillar, the ruins of the basilica of Chrysopolitissa. The present church of Chrysopolitissa is shared by the Anglican and Catholic congregation, who hold regular services at the invitation of the local Orthodox priest. Visit also Paphos Archaeological Park with the beautiful mosaics at the house of Dionysos (the God of Wine). Return back to Limassol and enjoy the rest of the day at leisure.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A moderate level of fitness will be required.

Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted

use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.
