Gratuities / Tipping

Land

Gratuities (tips) are not included for the services of the tour leader (when available) and driver throughout the tour. The recommended tip is 2000 Rupees (approx $10 AUD) per person per day in Sri Lanka. This covers the guide/leader and the driver and will be collected on tour.
In addition to the recommended gratuities for your dedicated tour leader and driver, a voluntary 'group kitty' may be introduced at the commencement of your tour. This optional contribution, not exceeding $10 AUD per person for the entire trip, helps cover smaller, shared tips along the journey for local services such as bellboys, shoe minders, and safari drivers. This streamlines tipping and ensures fair recognition for those who enhance your experience.

Please note: Tipping for services provided is always a matter of personal discretion; however, please be aware that many locals consider tipping part of their normal remuneration, and they may approach you for payment; there's no need to be intimidated by the request.

Other Important Information

Maldives Green Tax

Green Tax is levied on tourists who stay in tourist resorts, tourist hotels, and tourist vessels. It is levied at a flat rate of $12 United States dollars (USD) per person per day of stay and payable upon check-in. The green tax is applied as per the current government guidelines.

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not

Important Information

allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Sri Lanka

Sri Lanka is a year-round destination with two monsoon seasons so there is a lot of confusion around when is the best time to visit. The weather doesn't run like clockwork here! However, there will rarely be weather so dramatic that it will stand in the way of a brilliant holiday with plenty of warm weather and sunshine. The temperature is constant at around 27°C on the coast, both the air and the water!

Maldives

March is the hottest month in Maldives with an average temperature of 29°C and the coldest is January at 27°C with the most daily sunshine hours in February. The best month to swim in the sea is in April when the average sea temperature is 30° C. However, water temperatures are still around an average 29°C during June and July.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/ or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

A moderate level of fitness will be required. Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Wildlife sighting:

TripADeal cannot guarantee animal sightings on tour. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Important Information

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

Sri Lanka

A tourist visa for Sri Lanka is a strict requirement if travelling on an Australian Passport. You will need a visa in the form of an Electronic Travel Authorisation (ETA). Limited facilities to obtain an ETA are available at Colombo's Bandaranaike International Airport, however ETA's can be obtained prior to departure.

Maldives

A tourist visa for the Maldives is granted upon arrival if travelling for up to 30 days on an Australian Passport. Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours (Sri Lanka). Visa rules may have changed since Covid-19. Some countries and airlines may also require you to obtain an additional visa prior to arrival. Please check with the nearest embassy, consulate or immigration department of the destination you're entering.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
