Day 5 Matsumoto Castle - Afternoon at Leisure

Step back in time on a guided tour of Matsumoto Castle, one of Japan's premier historic castles, dating back to the early 16th century. Originally known as Fukashi Castle, its fortifications were first established around 1504 during the tumultuous Warring States period.

The impressive five-tiered, six-story keep that stands today, earning it the nickname "Crow Castle" for its striking black exterior. The castle was largely constructed in the late 16th century, around 1594, making it one of Japan's oldest surviving original castle keeps.

from the Ogasawara to the Ishikawa and beyond, under the Edo Period Tokugawa shogunate. This morning, depart Taipei and travel to the nearby Pingxi district to enjoy a quick ride along the Pingxi Branch Line. This 8-mile stretch of narrow-gauge railroad runs alongside the Keelung River. Take a step back in time on one of the most popular day trips from Taiwan.

Disembark in the town of Shifen, a popular town for launching sky lanterns. Sky lanterns are a Taiwanese tradition and Pingxi district is one of the only places where you are allowed to launch them. The paper lanterns inscribed with one's hopes for the coming year are launched into the sky and the preferred place to launch them is right on the tracks which makes for some great people watching. Here you will have the opportunity to launch a sky lantern (4 travellers to one sky lantern).

Afterwards, continue to the small mountainous village of Jiufen, made famous largely due to its similarity to the village in *Spirited Away*, arguably Hayao Miyazaki's most popular movie. Enjoy time at leisure to enjoy lunch (not included) and to explore Jiufen. You could explore the picturesque Old Street, a narrow alleyway lined up with small food stalls, tea houses, souvenir shops and pottery stores. The most picturesque tea house in Jiufen is A-Mei Teahouse. This multi-story teahouse is strategically located just a little off the main street, perched on top of a hill. From their balcony, you can admire the picturesque view, Keelung Mountain to the right and the Northern shores of Taiwan to the left.

Return to Taipei and enjoy a quick stop at a duty free shop before continuing to Taipei 101, once the tallest building in the world (from 2004 to 2010). Enjoy time at leisure to explore the modern

shopping centre and foodcourt, or alternatively take a trip up to the observatory at the top of the tower (not included, additional cost paid on tour).

Important Information

Outbound Flights

Please note: Due to flight scheduling and availability, some departures may occur on Day 0. Affected customers must be available to depart the day before. Flight times will be indicated on your final documents, issued 4-6 weeks before departure.

Missed Flights

If you fail to arrive for your outbound flight, you risk all flight and land arrangements in your destination being automatically cancelled by the airlines and land operator, respectively. Additional fees may apply to reinstate these services. If you miss your flight for whatever reason, please contact us as soon as possible to make arrangements.

Trip Only Option

If you choose to remove international flights from your package, your holiday may be shorter, as travel days for flights are not included in the Trip Only package. You will receive an email confirmation when minimum numbers have been met and the departure is guaranteed. We recommend making further travel arrangements, such as flights, after you have received confirmation of a guaranteed departure.

TripADeal assumes no liability for financial losses incurred due to travel arrangements made prior to confirmation of guaranteed departure.

Note: The Trip Only Package does not include return international airfares or airport transfers. At the conclusion of the tour, you will be responsible for booking your own onward travel.

Gratuities / Tipping

Land

While Japan does not have a tipping culture for most services, the travel industry works a little differently and there is still an expectation of tipping on these tours. While tipping is not mandatory, it is common practice and a gesture of appreciation which is shared amongst the local guides, drivers and other staff members who have serviced your tour. The expected tip is \$10 AUD per person per day, paid in local currency where touring and/or transfer services are provided. Please factor this into your holiday budget, as we know this is going to be an amazing adventure!

Please note: Tipping for services provided is always a matter of personal discretion;

Important Information

however, please be aware that many locals consider tipping part of their normal remuneration, and they may approach you for payment; there's no need to be intimidated by the request.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

CLIMATE & AVERAGE TEMPERATURES

Japan features four distinct seasons: Spring (March–May) is mild and world-famous for its cherry blossoms; Summer (June–August) is hot, humid, and marks the arrival of the rainy season; Autumn

(September–November) offers crisp, dry air and vibrant colourful foliage; and Winter (December–February) is cold and dry, often providing the clearest views of Mount Fuji despite the biting winds. While temperatures in Tokyo and Osaka generally range from a brisk 2°C in winter to over 33°C in the peak of summer, Osaka typically feels slightly warmer due to the urban heat island effect, particularly during the sweltering and festive summer months.

Weather

We always suggest referring to an online source for the most up-to-date weather information for your destination/s.

FLIGHTS

Seat Selection & Frequent Flyer Points:

We do not arrange seat selection. It is essential to highlight that some airlines do not allow pre-selected seats. We strongly suggest you contact the airline directly with seating allocation requirements and/or arrive at the airport earlier to arrange your seating. While we do not add frequent flyer member details to bookings, you can do this directly with the airline once you have your flight information.

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Passport Validity:

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.

COACH TOUR

Meals:

For meals not included, the tour leader (when available) will offer assistance with reservations, suggestions and directions to local restaurants. It is your responsibility to notify us of any dietary requests/requirements.

Please note: We will do our best to meet your requests/requirements; however, we cannot guarantee that we will always be able to.

Luggage:

You will be responsible for all your personal belongings whilst on tour. You must carry your own luggage from the vehicle to the hotel room and back to the vehicle. The driver will assist with the uploading and unloading of bags from the vehicle.

OTHER

Mobility:

If you require wheelchair access please contact our friendly sales and service team to inquire on your behalf.

Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!

A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. This may include city tours, the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note: Some areas may be inaccessible to wheelchairs or mobility scooters, with personal walking sticks and other aids required should they be needed. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Important Information

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Wildlife sighting:

TripADeal cannot guarantee animal sightings on tour. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

Visas

A tourist visa is not required for Australian or New Zealand citizens visiting Japan for stays of up to 90 days for tourism, business, visiting friends or relatives, etc. that does not include remunerative activities.

Important:

- Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.
- Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.
- It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.
- Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.
- It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
