Msc Fantasia

(Itinerary 2 & 4)
The MSC Fantasia is a significantly larger ship than the MSC Sinfonia, belonging to the "Fantasia Class." While it retains that classic Italian elegance—including its famous Swarovski crystal staircases—it offers a much wider range of amenities, including the exclusive "ship-within-a-ship" MSC Yacht Club.

Family & Kids

Like the Sinfonia, MSC Fantasia features strong partnerships with LEGO® and Chicco®, but on a grander scale:
Doremi Castle Aqua Park: A massive outdoor water feature with sprays, fountains, and water cannons.
Themed Clubs: Dedicated areas including the Polar Bear-themed play area for younger children, the Juniors Club (7-11), and the Teens Club with its own disco and cinema.
High-Tech Fun: A 4D Cinema and a Formula 1 Simulator provide immersive entertainment for older kids and adults alike.

Fitness and Relaxation

MSC Aurea Spa: A much larger Balinese-inspired wellness center featuring a thermal suite, sauna, and Turkish bath.
Pools: It boasts four swimming pools, including one with a retractable glass roof (magrodome), allowing for swimming regardless of the weather.
Top 18 Solarium: An adult-only sanctuary with premium deck space and dedicated bar service.

Entertainment and Leisure

Teatro L'Avanguardia: A massive, state-of-the-art theater offering Broadway-style productions.
Casino delle Palme: A large, Vegas-style casino.
Liquid Disco: A panoramic nightclub at the top of the ship for late-night dancing.
Piazza San Giorgio: A real stone-paved Italian square with live music, espresso bars, and gelato.

Restaurants and Bars

Main Dining: Two primary restaurants, Red Velvet and Il Cerchio d'Oro, serving Mediterranean and international cuisine.
Specialty Dining: Includes Butcher's Cut (American-style steakhouse) and L'Etoile, an intimate French-inspired restaurant.
Bars: Over 20 themed bars, including a Sports Bar, a Jazz Bar, and a dedicated Wine Bar (La Cantina Toscana).

Onboard Currency:

Cabins/Staterooms

Inside Cabins

Inside cabins on MSC Fantasia are a step up in size compared to the Sinfonia, averaging around 16 to 17 m². They are designed with a clever use of mirrors and lighting to feel bright and airy. You'll find a comfortable double bed (convertible to two singles), a vanity area with a hair dryer, an interactive TV, and a mini-bar. These are the best "value" play if you plan on spending most of your time on the pool deck or in the lounges.

Oceanview Cabins

Ranging from 17 to 20 m², these cabins feature a large porthole or window that provides natural light and views of the sea. They offer the same amenities as the inside cabins but usually include a small armchair or a tiny sitting area, making them feel slightly more residential.

Balcony Cabins

These are the most popular choice on the Fantasia, typically measuring between 17 and 26 m² (including the balcony). They feature a floor-to-ceiling glass door leading to your private outdoor space with two chairs and a small table. Inside, you'll find a dedicated sitting area with a sofa and a spacious wardrobe.

Please note:

- *All cabins are subject to availability; some cabins may have restricted views.*
- *Cruise cabins are booked on a guaranteed basis and are assigned by the cruise line prior to departure.*

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

A moderate level of fitness will be required. Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will require a general level of fitness for unassisted navigation of stairs and inclines, longer distances with possible periods of standing when visiting sites, walking on sloping, uneven ground or elevations. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information

Visas

A tourist visa is not required for stays up to 90 days if travelling on an Australian or New Zealand passport.

European Union Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaced the manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced in 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.gov.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*

Important Information

- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
