Gratuities/tipping

Land

Gratuities are not included in the package price for additional services. In the United States, it is customary to tip at restaurants, cafes, and diners, as well as for services provided by taxi drivers (excluding Uber), valet attendants, porters, and hotel housekeeping staff. A general guideline is 15%–20% of the total bill at dining venues, while tips for service staff are left to your personal discretion. Some sit-down restaurants may automatically add a gratuity to your bill—if this occurs, no additional tip is necessary unless you wish to recognise exceptional service.

Please note: Tipping is always at your discretion. However, it is considered a

standard part of income for many service workers in the U.S., and it is not uncommon for staff to request a tip. There is no need to feel uncomfortable in these situations.

FLIGHTS

Seat Selection & Frequent Flyer Points

As this is an exclusive private charter flight, seats will be pre-assigned for you and your travelling companions. While we make every effort to seat your party together, this cannot be guaranteed. If you are travelling with others under separate order numbers and wish to be seated together, please contact us via the email address provided in your booking confirmation. Please note that you will not receive a response to your request. Whether or not your preference could be accommodated will be advised through your seat allocation noted on your e-ticket.
Frequent Flyer details are not added to bookings by TripADeal. However, you may be able to add your membership number directly with the airline once your flight details have been issued. Please note that any seating preference linked to your frequent flyer profile does not affect your seating allocation on the charter.

Return Airport Transfers

Please note: The return airport transfer will be provided via group coach. Customers will transfer to the hotel and airport with other NRL fans who have purchased this package. Confirmation of flight times and coach pick-up times will be provided in your travel pack prior to your departure date. If you are not at the coach pick-up location of your hotel at the designated pick-up time, you will need to make your own way to the airport (the bus will not wait for you).

Dietary Requests

Meal options and availability differ between airlines and routes therefore not all dietary requests can be accommodated. If your flight includes meals we will select the most suitable option available based on the dietary requirements you have specified. All meal requests are subject to airline approval and are not guaranteed, therefore we recommend preparing for your flight by bringing appropriate food for yourself, as required.

Customers must provide valid passport details either at the time of purchase or no later than 90 days before the departure date. Failure to do so may result in the cancellation of the booking. Customers will be responsible for any costs and fees incurred in this instance.
