Day 2 Pyramids, Sphinx, Saqqara & Memphis

After breakfast, join your Egyptologist guide for a visit to the enigmatic Sphinx and Pyramids of Giza.

At 152 metres high and 228 metres wide at its base, the Great Pyramid of Khufu (Cheops) is the only survivor of the Seven Great Wonders of the ancient world. It is a breathtaking structure built from enormous stone blocks with a white limestone covering. Along with the smaller pyramids, the sight of these huge structures is unforgettable.

Next, visit the pyramid of Chephren. The best preserved of the three main Giza Pyramids, the top part still retains the original facing of smoothly-finished stone, giving an idea of how the pyramids would originally have appeared. Beside the pyramid of Chephren, you will see the Great Sphinx, carved out of a natural rocky outcrop. The lion's body stretches 45 metres. Afterwards continue to the pyramid of Mycerinus, the smallest of the three pyramids and partly dressed with pink granite slabs.

Following the tour of the pyramids, you will visit Memphis, one of the most important cities in Egypt. From the 3rd millennium BC, this 'City of the Dead' was the capital of ancient Egypt when King Menes unified upper and lower Egypt. Then continue visiting the Pyramids of King Zoser in Saqqara. It was the first real pyramid to be constructed in ancient Egypt; it is the most ancient surviving monument and the oldest stone building in history.

Overnight: Hotel Oasis Pyramids or similar, Cairo

Day 3 Egyptian Museum, Salah El Deen Citadel, Muhammad Ali Mosque & Old Cairo

This morning, enjoy a guided tour of the Egyptian Museum of antiquities in Cairo. It's the richest museum of Egyptian antiquities in the whole world, containing pharaonic treasures from over 5,000 years ago. The building is rectangular with a large rotunda on the ground floor containing massive exhibitions.

Afterwards, proceed to visit the massive mediaeval Salah El-din citadel, a mediaeval Islamic-era fortification in Cairo against the Crusaders. Explore this ancient fortress and marvel at its brilliant domed ceilings, suspended lights and commanding views of the city. The citadel houses the Alabaster mosque of Mohamed Ali Pasha.

Afterwards, drive to Old Cairo and visit the Coptic Cairo, a part of Old Cairo which encompasses the Babylon Fortress, the Hanging Church, The Greek Church of Saint George and many other Coptic churches and historical sites. It is believed in the Christian tradition that the Holy Family visited this area and stayed at the site of Saints Sergius Church (Abu Serga).

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the

tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

A Moderate level of fitness will be required.

Expect a moderate pace of touring with a focus on guided tours that may include full days with extended activity, guided city tours or nature walks. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance. Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.

Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our [Terms and Conditions](#) regarding shopping for further information.

Visas

A tourist visa is a strict requirement when travelling to Egypt on an Australian passport. The tourist visas' are available for purchase upon arrival.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*

Important Information

- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
