Day 9 Santorini, Greece

Arrive: 09:00 - Depart: 20:00

Did the catastrophic volcanic eruption that ravaged Santorini circa 1600 BC destroy Crete's ancient Minoan civilisation and give birth to the myth of Atlantis? In 1967, archaeologists in Santorini unearthed the remains of a Bronze Age city that may have been home to as many as 30,000 people.

The Itinerary

Itinerary 1

Whether the Lost Continent of Atlantis is rooted in myth or reality, an undisputed fact remains. The eruption created a caldera - and one of the most dramatic land and seascapes in the entire Mediterranean.

On Santorini, whitewashed buildings cling to vertiginous cliffs that plunge into a turquoise sea. Part of the Cyclades Archipelago, the three-island group of Santorini, Thirasia and uninhabited Aspronisi present the traveller with unforgettable vistas. The island has had several names throughout history - from Strongyle or "Round" to Thera in honour of an ancient hero. Santorini is more recent and stems from the island's church dedicated to St Irene - Santa Rini to foreign sailors.

Please note: This port is accessed by tender boats. Boarding and disembarking tender boats may involve steps and uneven surfaces. While cruise lines strive to provide ease of access, accessibility options can vary at different tender ports. Passengers with mobility concerns are encouraged to inquire about specific arrangements and consider their individual needs when participating in tendering activities.

Nearby, stand the ruins of ancient Ephesus, a primary archeological excavation site (optional shore excursion, charges apply). The city was once a Roman provincial capital and trading centre; Ephesus is also home to several of Christendom's holiest sites. St Paul preached at the Great Theatre, and the ruins of Ephesus' Basilica covered the tomb of Christ's most beloved disciple, St John the Apostle.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.
