

Singapore, Malaysia & Thailand Getaway

MALAYSIA ● SINGAPORE ● THAILAND

The Offer

Recognised as a premier global destination and a food hub, Singapore is the starting point for this 9-day adventure, taking you on a four-night cruise to Malaysia and Thailand with Royal Caribbean.

Your time in Singapore begins with two days at leisure to explore the capital. See the spectacular indoor waterfall in the Cloud Forest at Gardens by the Bay, wander historic Chinatown and Little India, visit vibrant Orchard Road or find your own way to Raffles Hotel for afternoon tea (additional charges apply).

Step on board your cruise ship, either the Navigator of the Seas or Quantum of the Seas (depending on departure dates) and sail overnight to Penang, Malaysia. The Navigator of the Sea offers big, bold water fun with the longest waterslide at sea and epic splash zones. Soak up next-level nightlife and dining from Jamie Oliver's Jamie's Italian to amazing tacos at El Loco Fresh®. The Quantum of the Seas brings together next level fun with pools, a FlowRider Surf Simulator and Ricord by iFly, an onboard skydiving experience along with amazing restaurants, entertainment and nightlife.

In Malaysia, rise and shine in George Town, where a short walk will take you to the city's UNESCO World Heritage zone, home to 18th-century Fort Cornwallis. Explore the city at your leisure, perhaps take the funicular to the top of Penang Hill or head to Batu Ferringhi Beach to relax.

Cruise to the popular island paradise of Phuket in Thailand, where you can see the local Elephant Sanctuary, hang with the macaques on Monkey Hill or choose optional excursions to the famed beaches of Kata Noi or the coastal islands like James Bond Island, featured in 'The Man With the Golden Gun' (additional charges apply). After cruising the Strait of Malacca, your cruise concludes back in Singapore.

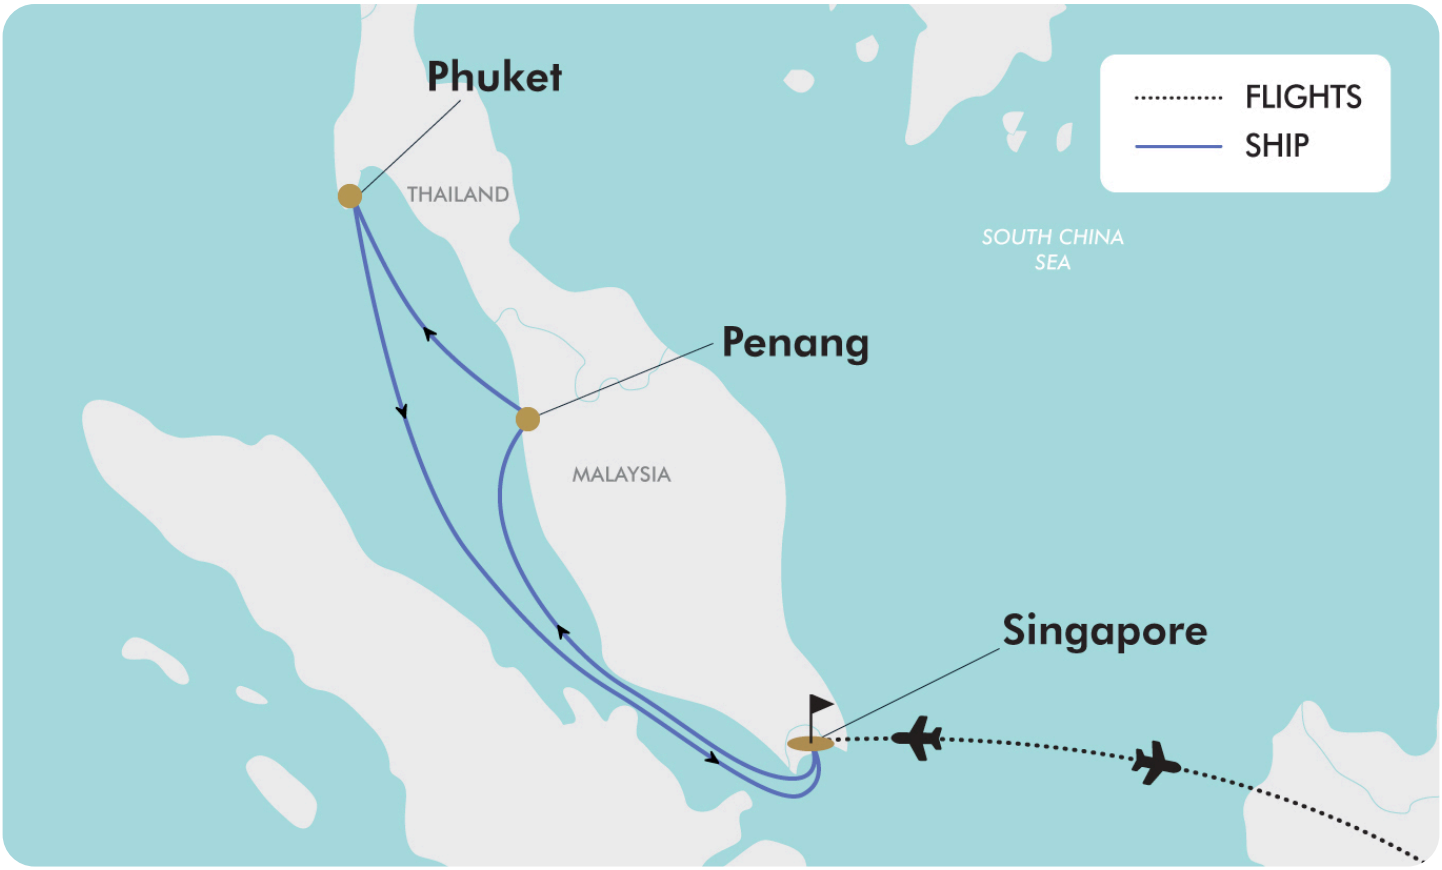

This incredible package includes return international flights, a four-night cruise, three nights of 4-star hotel accommodation, plus all meals while cruising.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts. Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

Singapore

Australian passport holders do not require a visa for stays of less than 90 days in Singapore.

Malaysia

A 90-day tourist visa will generally be granted upon arrival into Malaysia if travelling on an Australian Passport. Effective December 2023, all foreigners entering Malaysia will be required to complete the "Malaysia Digital Arrival Card (MDAC)" at least 3 days prior to their arrival. This applies to all travellers, except for those transiting or transferring through Singapore without seeking immigration clearance, Malaysian permanent residents and Malaysian Automated Clearance System (MACS) holders. For more

Important Information

information regarding the MDAC, please visit https://imigresen-online.imi.gov.my/mdac/main.

Thailand

Australians are required to complete the Thailand Digital Arrival Card (TDAC) online prior to arrival. Travellers must register online within 3 days prior to arriving in Thailand. They can do so here.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
