Fitness Level Required:

Adventure (and spontaneity) create some of the best travel memories. Bear in mind, your home schedules and timings might not be adhered to on tour - it's all part of the fun!
A relaxed level of fitness will be required. Expect a comfortable pace of touring with a focus on leisure time and gentle activity. This may include city tours, the ability to walk up and down small flights of stairs and gentle slopes. You will be responsible for your own luggage and have the ability to board all modes of transport without assistance.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.
Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader. Please refer to our Terms and Conditions regarding shopping for further information.

Visas

European Union Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaced the manual passport-stamping process for non-EU travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced in 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.gov.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*

Important Information

- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*

Travel Insurance

Embarking on your next trip is exciting, and while you hope the unexpected does not happen, it is best to be prepared. We strongly recommend you take out travel insurance when making your booking. Whether it's a potential medical emergency, a flight cancellation, a delayed suitcase, or an unforeseen event, it's important to ensure you're adequately protected.
