Day 2 Johannesburg - Lowveld - Kruger National Park - Afternoon Game Drive

This morning, depart the hotel at 07:00 (please allow an average of 10 minutes in advance to gather in the lobby) for your transfer to your luxury tented lodge near Kruger National Park (approximately 364 km).

In the afternoon, enjoy an open-vehicle game drive in Kruger National Park. It's approximately a 50-minute drive to reach the gate from the lodge. Even though wildlife tends to rest in the midday heat, the advantage of an afternoon safari is that the guides will have information about earlier sightings and where they took place, so they can try to find the most exciting wildlife for you to experience first-hand.

Keep your eyes peeled for the Big 5, including lions, leopards, rhinos, elephants and buffaloes. Watering holes are also a popular spot during this time as many animals will be looking to cool down, and nothing is more pleasing than watching elephants play around in a river. Your guide will ensure an exciting safari, filled with facts about the animals and birds in the Park and the plant life for those interested in the lush vegetation and age-old trees.

The later the day gets and closer to closing time in the Park, the better the chances of sightings, as the animals become more active as the heat dissipates. Please bring sun cream, a hat, sunglasses, comfortable shoes, warm clothing in the winter months and a rain jacket in the summer months. Afterwards, return in time to freshen up and enjoy a delicious dinner at your lodge.

Ndhula Luxury Tented Lodge Ndhula Luxury Tented Lodge is ideally situated in the Mpumalanga Lowveld region of South Africa, boasting incredible views over the mountains, the bushveld and the surrounding valleys. Furnished with modern ethnic decor, the open-air lounge offers the perfect spot to complement the scenery with a sunrise coffee or sundowner cocktail. The luxury safari tents blend gently into the natural setting on the hillside, creating a peaceful and romantic atmosphere. Pitched atop a 45 square-metre wooden deck, the twelve permanent safari-style tents offer breathtaking views over the bushveld. Roll up the side panels of your tents and fall asleep to an African breeze that carries with it the calming sounds and smells of nature. Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.
