Cruise

Hurtigruten Coastal Express: Ship Overview

Your voyage will be aboard a vessel from Hurtigruten's Coastal Express fleet, which operates year-round as an authentic lifeline for Norway, transporting local passengers, freight, and cars along 34 ports. This unique role provides a non-traditional, immersive travel experience focused on the destination.

Key Features Common to All Coastal Express Ships:

Authentic Working Vessels

:

Unlike a traditional cruise ship, the Coastal Express is a vital part of Norwegian infrastructure. This means you will experience a relaxed, informal atmosphere alongside local life, prioritising the culture and scenery of the coast.

Optimal Northern Lights Viewing

:

All ships are perfectly equipped for viewing the Aurora Borealis. They feature expansive observation decks, large windows, and panorama lounges to maximise visibility. To ensure you don't miss a display, an Aurora Alert service is available in your cabin to notify you of sightings, even late at night.

Focus on Scenery and Education

:

A dedicated Hurtigruten Guide Team is onboard every ship to provide lectures, presentations, and activities that enrich your journey with insights into the geography, history, and wildlife of the region.

Norway's Coastal Kitchen

:

Dining is a highlight, featuring local, seasonal ingredients sourced from suppliers along the route each day, offering an authentic taste of Norway.
The ships in this fleet (including MS Nordnorge, MS Nordkapp, MS Nordlys, MS Richard With, MS Kong Harald, MS Polarlys, MS Vesteralen, and MS Midnatsol) vary slightly in their interior design and the date of their latest refurbishment, but all deliver the same authentic Coastal Express experience.

Dress Code

You'll be glad to hear that the dress code on this ship is casual and there's no need to pack formal attire for dinner. The weather in Norway can vary during your voyage, even during the day. We recommend you bring multiple layers of clothing, enabling you to adapt to the changes in temperature.

Clothing

- Warm under-layers and mid-layers: It is much better to wear a number of thin layers than just a few thick ones. The air trapped in between thin layers warms to your body's temperature and acts as valuable insulation.
- Woollen sweater or fleece: This should go over your under and mid-layers.
- Wind and waterproof jacket and trousers: Outer layers should be wind and waterproof to adapt to the changing conditions on the Norwegian coast.
- Footwear: You'll need a pair of worn-in walking boots to use outdoors, as well as some casual shoes for use onboard.
- Cotton socks: Pack an extra pair or two in your rucksack if you're going out snowmobiling or dog sledging and your feet become damp or wet.
- Swimwear: If you intend to use any sauna or hot tub facilities, you will need to pack a swimsuit.

Seasonal Packing

Spring (cover all bases) (March)

As you are likely to encounter three seasons during one sailing in spring, it's important to pack well and layer up. We advise bringing a woollen jumper, warm socks, a thick scarf, winter boots, warm, waterproof trousers and jacket, a hat and gloves.

Autumn (multiple layers) (September - November)

While the sun may be shining, you can also expect cooler weather during the autumn months. Make sure to pack thin layers and some warm clothes – a woolly jumper, wind and waterproof jacket and trousers, a hat, gloves and light hiking boots.

Winter (wrap up warm) (December - February)

It can get very cold along the coast during winter, so we recommend you pack base and mid layers, as well as a thick winter jacket, wool or fleece hat, balaclava/buff, gloves, woolly jumper, scarf, winter boots, and pull-on spikes (for sale on board). And remember the layer principle: it is much better to wear a number of thin layers than just a few thick ones. In very cold weather, it's a good idea to wear two pairs of gloves – one thick pair of mitts (mitts don't separate the fingers so they keep your hands warmer) and a thin pair of gloves underneath that allow you the use of your fingers. If you're prone to cold extremities, you might also want to buy some carbon hand and foot warmers, which are available from most good outdoor shops.

Hurtigruten's Northern Lights Promise

The beautiful Aurora Borealis is Mother Nature's ultimate light show. No trip to the Arctic Circle is quite complete without experiencing this highlight at least once on your journey. If the Northern Lights do not appear on your voyage to Norway, you will receive another 6 or 7-day Classic Voyage free of charge from Hurtigruten. The promise is applicable on departures between 20 September 2027 and 31 March 2028.

Terms & Conditions

A Northern Lights Occurrence is defined as a sighting from the ship which is recorded by the ship's deck officers and which is announced to passengers on board. An occurrence can last anything from a few minutes to a matter of hours, and the ship's decision as to whether the northern lights occurred is final.
Hurtigruten hopes that you will experience seeing the northern lights while on your Classic Roundtrip Voyage, Voyage of Discovery or North Cape Express, although they cannot be held responsible if you don't. Hurtigruten does, however, promise that in the event of there being no Northern Lights Occurrence as defined above on these voyages, they will invite you back to cruise with them once more, subject to the Terms and Conditions below.

- For sailings departing between 20 September 2027 – 31 March 2028 you will receive a 6-day southbound Coastal Express Classic Voyage, departing between 20 September 2028 and 31 March 2029.
- Hurtigruten promise that in the event of there being no northern lights occurrence as defined above, you will receive a Original Coastal Express Classic Voyage, departing between 20 September and 31 March of the following year in an unspecified inside twin cabin on a full-board basis free of charge. You may upgrade to another grade of cabin subject to additional costs and availability. Please note that upgrading to suites with this offer may not be available.

Important Information

- This offer applies to all new bookings of voyages of 11 days or more along the Norwegian coast aboard The Coastal Express and The North Cape Line, departing between 20 September 2027 and 31 March 2028.
- Hurtigruten announce occurrences of the Northern Lights on board the ship and you have the option of announcements direct to your cabin or suite. We hope that you will experience seeing the Northern Lights whilst on your voyage with us of 11 days or more, but we cannot be held responsible if you don't.
- Hurtigruten reserves the right to withdraw or amend the offer at any time. Please check at the time of booking as to the current status of the offer. The offer must be claimed and booked within 28 days from your return date. A choice of departure dates will be given.
- The complimentary voyage includes accommodation in an unspecified inside twin cabin on a full-board basis. Cabin upgrades are available at an additional cost and subject to availability. Suite upgrades are not available with this offer.

Exclusions

Offer excludes flights, transfers, all onboard expenses, excursions and luggage handling. Offer does not apply to re-scheduled or cancelled cruises (including cruises where more than 50% of the sailing has been cancelled). Bookings are non-transferable, non-changeable, have no cash value and no refund can be claimed. Hurtigruten reserves the right to withdraw or amended the offer at any time. Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

Please note: Many areas may be inaccessible to wheelchairs or mobility scooters, where the unassisted use of personal walking sticks and other aids may be required. Although some assistance may be available, every traveller should be self-reliant during all aspects of their travel.

Please note: It is expected that every traveller must be self-reliant and able to undertake all aspects of their own travel. Please speak to your booking agent about your personal circumstances and any assistance requirements to ensure this tour is right for you.

Please note: If you have any concerns, please consult your healthcare provider prior to purchase/travel.

Yellow Fever:

A valid international certificate of vaccination against Yellow Fever is required in many countries. You may need to present this on arrival at the airport or border crossing. Some countries will refuse entry if you are unable to present your certificate. It's also common for your home country to request a Yellow Fever certificate upon arrival.
You must check with your doctor well before leaving home about the Yellow Fever requirements for the countries you'll be visiting.

Sightseeing:

Please note: If entry to a site is affected by changes in operating hours or public holiday closures, your itinerary, where possible, may be adjusted, or a similar activity will be offered in its place (subject to availability).

Wildlife sighting:

TripADeal cannot guarantee animal sightings on tour. Wildlife are unpredictable and factors such as weather conditions, predatory fear and animal movements can impact sightings.

Shopping:

Shopping overseas can be a daunting and confusing experience, especially when there is a language barrier. Please be very cautious when foreign currencies and prices are involved. If paying by credit card, please pay close attention to the amount you are being charged and keep all your receipts.
Do not make any purchases you are not comfortable with or feel pressured into. If you are uncertain or need assistance with the language barrier, please seek assistance from your Tour Guide/Leader.
Please refer to our Terms and Conditions regarding shopping for further information.

Visas

A tourist visa is generally not required in Europe for stays of up to 90 days when travelling on an Australian passport.

European Union Entry/Exit System (EES)

From October 12, 2025, a new European Entry System (EES) replaced the manual passport-stamping process for non-EU

Important Information

travellers. Upon arrival in the Schengen area, Australian and New Zealand passport holders will have their fingerprints recorded and a photograph taken. Their entry and exit dates will be electronically registered. No previous action is required, but please be aware of longer wait times at border entry. From 10 April 2026, the EES will be fully operational at all external border crossing points of all the European countries (Schengen area) using the system.

European Travel Information & Authorisation System (ETIAS)

As an extension of the EES implementation introduced in 2025, ETIAS travel authorisation is a mandatory entry requirement for visa-exempt nationals travelling to any of these 30 European countries, including Australian and New Zealand citizens, that will be introduced in 2026. We advise you to monitor smartraveller.gov.au closer to your departure to ensure you are up to date on the requirements at the time of entry.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
