festival traditions, then cap off your cruise in Nagoya and Shimizu's views of Mount Fuji, before disembarking in Yokohama for a 2-night stay in the heart of Tokyo.

Whether you sail east or west, the timeless magic of Tokyo's neon-lit streets, South Korea's cultural charm and sweeping Mount Fuji panoramas await among a flutter of pink cherry blossoms. Choose your favourite itinerary, then step aboard Norwegian Jade for the ultimate springtime getaway.

Included are return international full-service flights, a 9-night Japan and South Korea voyage, 3 nights of 4-star accommodation, 26 meals and more.

Want more? Upgrade your cabin or extend your adventure with Arrive Early and Stay Behind options.

Please note: The cherry blossoms can be difficult to predict. Every year is different and there are variations across the country. What's more, there are multiple sakura varieties, each coming into flower at a slightly different time and lasting for a different period (most stay for around two weeks). Therefore we cannot guarantee the trees will be blooming in locations visited on this itinerary. To increase the likelihood of cherry blossom viewings, we recommend booking dates later in March.

Other Important Information

TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on the history, art, architecture and culture of the city/village/attraction where they are guiding the tour. The guide meets the group at the required place and leaves it at the end of the tour; they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides at each stop. A tour leader may provide general guidance around a city or village and offer information on the place visited on the bus. However, they are not required to have specific art, architecture, or historical knowledge. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and, if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when required to enhance the experience of the destination featured.

Important:

- *Please start arranging your visa three weeks before departure to account for any delays due to consulate operating hours.*
- *Visa rules are subject to change. Please check with the nearest embassy, consulate or immigration department of the destination/s you are visiting once you receive your travel documentation to ensure you have the most up to date information.*
- *It is your responsibility to be travel-ready and ensure that you are aware and comply with any destination or travel requirements, including the validity of all required travel documents.*
- *Passengers who are not Australian citizens must also check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required.*
- *It is also important to note that some areas of employment, such as journalism, government authorities and charity organisations, may have additional restrictions in applying for visas. This may, in turn, affect the type of application required.*
